Intake-CJIS-50

Routine

Narrative

Submitted by [redacted] (CJIS) on 10/02/2017 01:10 PM EDT

(U) On 10/02/2017, at 12:32 p.m. Eastern Time, [redacted] date of birth [redacted] cellular telephone number [redacted] home address [redacted] [redacted] called the FBI Public Access Line (PAL) Unit at direction from his superior officer to report information regarding the Las Vegas Shooting.

b6 -2
b7C -2

[redacted] provided the following information:

b6 -2
b7C -2

[redacted] is an off duty [redacted] police officer, who was at the concert as a spectator and received a bullet graze to his left jaw. [redacted] did not receive any medical treatment for his injuries because he felt it was not that bad and that it was just a little swollen.

[redacted] heard what he believed was close to automatic rifle fire based on the sound of the bullets being "cranked out," however, [redacted] did not observe anything. When the bodies started dropping [redacted] assisted in moving bodies and providing triage where he could.

b6 -2
b7C -2

[redacted] is in the process of returning home to [redacted] AZ.

b6 -1,2
b7C -1,2

(U//~~LES~~) On October 05, 2017, Federal Bureau of Investigation (FBI) Special Agents (SA) [REDACTED] interviewed [REDACTED] date of birth (DOB) [REDACTED] at his work place [REDACTED] resides at [REDACTED] can be reached by cell phone at [REDACTED] After being advised of the identity of the interviewing Agents and the nature of the interview [REDACTED] provided the following information:

(U//~~LES~~) [REDACTED] a [REDACTED] Officer and SWAT Operator arrived in Las Vegas with his wife [REDACTED] two other couples and a friend on Thursday afternoon September 28, 2017. The group was in Las Vegas to attend the Route 91 Country Music Festival. They had attended the festival for the past several years. [REDACTED] was accompanied by the following persons.

b6 -2,3
b7C -2,3

His wife [redacted] Arizona

b6 -3
b7C -3

[redacted] and his wife stayed at the [redacted] located at [redacted]
[redacted] Las Vegas, Nevada 89119.

[redacted] Arizona

[redacted] Officer and SWAT Operator.

[redacted] can be reached at [redacted]

[redacted] stayed at [redacted]
located at [redacted] Las Vegas, Nevada 89109

[redacted] Arizona

[redacted] Officer and SWAT Operator.

[redacted] can be reached at [redacted]

[redacted] Officer on their Career Criminal Squad.

[redacted] stayed at the [redacted] located at [redacted]
[redacted] Las Vegas, Nevada 89119

b6 -3
b7C -3

[redacted] Arizona

[redacted] stayed at the [redacted] located at [redacted] Las
Vegas, Nevada 89119

[redacted] can be reached at [redacted]

(U) The group arrived at the Route 91 Country Music Festival Friday, Saturday and Sunday at the festival's opening time each day. [redacted] could not remember if the start time was 3:00 or 4:00 PM. They did not observe anything unusual until the shooting started on Sunday. On Friday September 29, 2017, the group went to the pool at the Mandalay Bay Hotel because the pool [redacted] was closed. Nothing unusual was observed during their time at the Mandalay Bay Pool. Via the media coverage [redacted] was familiar images of the SUBJECT, STEPHEN PADDOCK. [redacted] did not observe PADDOCK at anytime during his stay in Las Vegas.

b6 -2
b7C -2

(U//LES) [redacted] heard the first volley of gunfire just a few minutes after Jason Aldean's performance started. He heard the gunfire in disbelief for a "second" then immediately started trying to locate the shooter in the crowd. [redacted] was located approximately one hundred feet to the East from the end of the center section of the stage that extended to the North into the crowd. From [redacted] perspective the shooting emanated from the crowd to the West of his position. [redacted] provided drawing of the area and relevant positions that was placed in the 1A section of the case file. The sound of the shots was loud enough that he thought the shooter had to be in the crowd. There were several volleys but he could not initially pinpoint the location. Almost immediately after the shooting started the stage lights went completely out and flood lights came up on the crowd. Eventually [redacted] did see flashes coming from the windows of the Mandalay Bay Hotel. The shots were rapid but not consistent with that of a fully automatic rifle. [redacted] was familiar with fully automatic weapons fire due to his training and experience as a SWAT Operator. Throughout the shooting it started and stopped several times rather than being continuous. [redacted] only heard one gun firing at a time.

b6 -2
b7C -2

(U) Prior to the start of the shooting each couple had gone their separate ways within the venue. Each couple ultimately had stayed together but the group as a whole had become broken up prior to the final act of the evening. [redacted] later learned that each couple had made their way out and no one in their group had been harmed. At no time had [redacted] observed a blonde female, or anyone else, making statements about the concertgoers all dying or being

(U) [REDACTED] provided the following information:

During the shooting, [REDACTED] was on the balcony of the Foundation Room [REDACTED] [REDACTED] initially heard the automatic shots coming from his right. Then [REDACTED] heard the sound of rifle fire coming from his left. The rifle shots were two or three shots then the automatic shots would happen again. This cycle repeated at least two or three times. [REDACTED] feels that there was about two or three seconds between the automatic shots and the rifle shots. During the shooting, [REDACTED] also ran inside to ask his manager if they should post security by some of the entrance ways to the Foundation Room.

[REDACTED] has seen the windows from which the shooter shot. [REDACTED] also believes that the shots to his left could have come from behind the stage of the concert. There are two concrete pillars behind the stage. [REDACTED] does not know how someone could have gotten up there to shoot at the crowd. However [REDACTED] feels that the sound of the rifle shots could have come from there.

Intake-CJIS-132

Routine

Narrative

Submitted by [redacted] (CJIS) on 10/02/2017 05:44 PM EDT

(U) On 10/02/2017, at 5:39 p.m. Eastern Time, [redacted] date of birth [redacted] home address [redacted] called the FBI Public Access Line (PAL) Unit to report a tip on the Las Vegas Shooting.

b6 -1,2
b7C -1,2

[redacted] provided the following information:

b6 -2
b7C -2

[redacted] was at the concert with her husband. [redacted] stated approximately 30 to 40 seconds before the automatic gun started, the girl in front of her was shot dead and fell to the ground. [redacted] stated you only heard, "pop pop," then 30 seconds later the automatic shots started. [redacted] feels there was possibly more than one shooter because the two gun shots came from the House of Blues area.

(U) SA [redacted] Dallas FBI, contacted [redacted] and obtained the following information:

Between two to four years ago, [redacted] was at Big Rock Gun private Club, CoRd 2901, Eustace, Texas, when he met a person he believes to be Paddock. Paddock was accompanied by three younger males who were shooting full-auto rifles. [redacted] who was accompanied by [redacted] spoke to the men and told them automatic fire wasn't allowed at the club.

[redacted] stated Paddock wasn't a member of the club and had not met/seen him before. He was there with one of the younger guys. Paddock told him he had the guns, 2 AR-15s and 1 AK-47, converted by an individual located in Athens, Texas. Paddock offered to sell him one, which he declined.

b6 -2
b7C -2

Paddock told him he had come from Shreveport, Louisiana, after winning \$40,000 gambling. Paddock stated he wanted to go do some big time gambling in Las Vegas. [redacted] stated he saw the person again in the parking lot of a gun store called The Armory in Mesquite, Texas. [redacted] never saw him enter the store.

b6 -1,2
b7C -1,2

(U) On 10/03/2017, at 3:21 p.m. Eastern Time, [redacted] date of birth [redacted] telephone number [redacted] and home address [redacted] called the FBI Public Access Line (PAL) Unit to report information regarding the Las Vegas Mass Casualty incident.

[redacted] provided the following information:

[redacted] and his girlfriend were at the Jason Aldean concert whenever the massacre started to unfold. [redacted] explained they were toward the left side of the stage, and whenever they heard the shots, they began to run to the left behind the stage and away from Mandalay Bay.

b6 -2
b7C -2

[redacted] girlfriend flagged down a driver to try and escape the situation, and they entered a Ford Mustang. [redacted] explained he is involved in music, and he understands different pitches and sounds. [redacted] could hear the automatic rifle being shot off in the Mandalay Bay direction, but he also heard what sounded like a hand gun within their vicinity. Everyone in the car ducked down, so nobody saw where the shots were being fired, or any descriptors for those involved. [redacted] said it sounded like the hand gun being shot off was in the parking lot beside them. [redacted] is unsure whether it was someone connected to the Las Vegas Mass Casualty incident, or if it was someone thinking they were defending themselves.

The strangers in the Ford Mustang dropped [redacted] and his girlfriend off a few miles away. [redacted] overheard someone saying there was a bomb threat to the Luxor, so [redacted] and his girlfriend ordered an Uber and they were taken to Green Valley Ranch. This Uber driver was wonderful and helpful. Once they reached their destination, [redacted] decided they just needed to get out of town. They ordered a second Uber, for the driver named [redacted] who was driving a [redacted] with possible plate number [redacted] had numbers for both Uber drivers, however, he wasn't sure which of the two was the correct number for [redacted]

[redacted] called the FBI Public Access Line (PAL) Unit to report information regarding the Las Vegas shooting.

b6 -2
b7C -2

[redacted] provided the following information:

[redacted] was present during the Las Vegas shooting. [redacted] discovered that she had a video on her cellular telephone last night, 10/02/2017, after she got home from Las Vegas, NV. The video was recording before the shooting started and there were individual shots fired before the automatic weapon started firing shots. There were four individual shots before the automatic weapon was used, but it wasn't very loud. The shots appeared to be coming from the same area.

There was a female beside [redacted] that was shot approximately 30 seconds before the automatic weapon was used. Jason Aldean was singing "Any Old Barstool" at the time. [redacted] remembers seeing the female fall and everyone around started to look and scream. It sounded like "firecrackers." [redacted] did not see anything out of the ordinary and was able to get to a safe area before the automatic weapon shots started. [redacted] was standing between the two grassy areas, near the House of Blues Bar.

(U) [redacted] cellular telephone number [redacted] date of birth [redacted] home address [redacted] was interviewed by telephone. After advising her of the identity of the interviewing Agent and the nature of the interview, [redacted] provided the following information:

[redacted] was at the JASON ALDEAN concert on October 1, 2017 in Las Vegas, Nevada with her friend [redacted] and took two videos of the concert. She was on the left side of the stage and took one video during a song. During the next song, she took another video and heard what she thought were firecrackers. Shortly thereafter, ALDEAN ran off stage and [redacted] heard people yelling to get down. After that, she followed people's instructions and ran out of the venue. She didn't remember very clearly what happened after people were yelling to get down.

b6 -2,3
b7C -2,3

Later in her hotel room, events started to sink in and [redacted] watched the videos she took. The first video had audio of what sounded like individual shots from a gun, though she had not noticed them during the concert. The second video had audio of what sounded like rapid, automatic gunfire that was probably the firecrackers [redacted] heard.

b6 -2
b7C -2

[redacted] uploaded both videos to the fbi.gov/lasvegasshooting website. She also thought that [redacted] uploaded the videos, too.

(U) On 10/04/2017, at 11:37 a.m. Eastern Time, [REDACTED] date of birth [REDACTED] cellular telephone number [REDACTED] home address [REDACTED] called the FBI Public Access Line (PAL) Unit to report information regarding the Las Vegas mass casualty shooting.

b6 -2,3
b7C -2,3

[REDACTED] provided the following information:

[REDACTED] found a video of the shooting on YouTube which he believes features an alleged shooter positioned on the ground. The video was posted on 10/03/2017 by [REDACTED] and is 10 minutes and 33 seconds long.

At the 2:27 time stamp in the video, a white male with brown hair dressed as a security officer in a beige shirt and green vest enters the frame in a crouched position from the bottom left corner. The male raises his arms and appears to be firing an automatic weapon, "like an Uzi", into the crowd from the center of his vision and continues shooting towards his right.

b6 -2
b7C -2

[REDACTED] was advised to upload the link to the digital media tips webpage at fbi.gov /lasvegasshooting. The video can be found at https://www.youtube.com/watch?v=T1FBJC_IOYG.

~~SECRET~~ // ~~NOFORN~~ // 25X1

b6 -1
b7C -1

[redacted] flew into Las Vegas from Massachusetts on 10/1/2017 arriving in the evening. After checking into the Mandalay Bay Hotel and Casino around 8pm, [redacted] had pizza down in the lobby area around 9:30 PM before returning to his hotel room [redacted] and going to bed.

b6 -2
b7C -2

[redacted] woke up that night in his hotel room to the sounds of gunfire. [redacted] heard 3 long streams of fire lasting about four seconds each with about five seconds of pause between streams of fire. [redacted] indicated the streams of fire had a rhythmic pattern. [redacted] realized the sound was coming from outside his room which was overlooking the concert below. [redacted] noticed people in the center of the concert area on the ground not moving while people outside the concert fence enclosure were moving away. [redacted] watched outside for about five to ten minutes from his hotel room as the guns shots continued.

b6 -2
b7C -2

[redacted] heard law enforcement say to everyone in the hallway to go back to their rooms. Shortly thereafter, law enforcement was telling everyone in rooms down the hallway to get their hands up and come toward law enforcement slowly. Law enforcement knocked on every door, entered and escorted everyone out of the hallway leaving only room 135 not entered. [redacted] remembered law enforcement going down outside his hallway discussing details of the shooter and having isolated the shoot to room 135.

b6 -2
b7C -2

[redacted] remembered when law enforcement entered his room with guns drawn and then evacuating [redacted] and others down the hallway to an elevator vestibule. Nine people were waiting to evacuate when law enforcement took [redacted] and others down the elevator to the lobby. [redacted] traveled down Las Vegas Boulevard until reaching another hotel a few miles away and stayed the night.

[redacted] stayed at a Hilton on 10/1/2017 after being evacuated from the Mandalay Bay Hotel and Casino. [redacted] went the following day to retrieve his belongings from his hotel room.

b6 -2
b7C -2

[redacted] stated having no contact with Stephen Paddock to include leading up to the shooting incident on 10/1/2017.

[redacted] was in Las Vegas to attend a work conference for several days and then traveled on 10/05/2017 to Orlando, FL for a personal vacation with his family. [redacted] is willing to be contacted for any following questions.

b6 -1,2
b7C -1,2

(U) On 10/13/2017 [redacted] emailed SA [redacted] with additional information pertaining to the events on 10/1/2017. Below is the email:

Hi Agent [redacted]

I realize your focus might be squarely on learning all you can about Paddock, but given all that I'm reading lately about the timeline and order of shooting of [redacted] vs. the concert crowd, I just wanted to reiterate what I witnessed. My apologies if this is not within the scope of your investigation, but perhaps still helpful:

b6 -6
b7C -6

~~SECRET~~ // ~~NOFORN~~ // 25X1

As you know, my room [redacted] was overlooking the concert. I am 100% certain I heard "outside" shots - several long rounds of gunfire that sounded like they were coming from outside - had a reverberation/echo to it. (we now know this was the gunfire into the crowd.) AFTER several rounds of this, I definitely heard a similar [automatic weapon] gunfire that sounded different: much louder, not reverberating, not as long as the "outside" rounds", and sounded like it was coming from inside the hotel (the hallway). After this shorter round, I continued to hear several more outside rounds, then I heard the same "inside" round again.

b6 -2
b7C -2

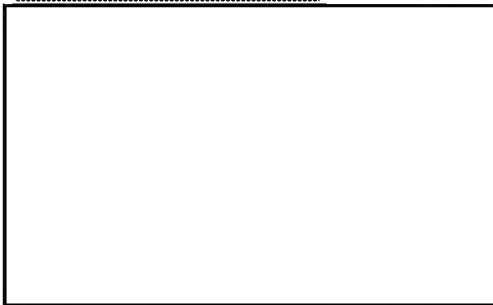

I definitely heard at least 2 "inside" rounds as described above, in-between the "outside" rounds. I cannot be certain but there may have been a 3rd inside round. If needed I can explain my thought process as to why I am certain I heard this at least twice.

My apologies as I know this would also be very helpful, but I do not know exactly what time I heard these 2 different gunfire sounds.

I'm happy to speak more if needed.

Thank you -

[redacted]

Information on Las Vegas Harvest shooting: I attended the Harvest Concert on Oct.1. Our group of 12 people were located on the second level of Suite 8. We were all located on the balcony viewing the concert. I don't believe the following information was reported - I clearly heard 2-3 pops of what sounded like semi-automatic fire before the first flurry of heavy automatic fire. It was then 10-15 seconds later (after the initial semi-automatic pops) that I heard the first round of automatic fire and the crowd beginning to run. We then hit the floor of the balcony and crawled into the inside portion of the trailer of Suite 8. We stayed in the trailer on the floor from approximately 10:08 pm until 10:45 or 10:50 pm. We did not suffer any gun shot wounds.

(U) On 10/05/25017, at 4:39 p.m. Eastern Time, [redacted] date of birth [redacted]
[redacted] cellular telephone number [redacted] home address [redacted]
[redacted] called the FBI Public Access Line (PAL) Unit to report what she observed at the Las Vegas Shooting.

[redacted] provided the following information:

b6 -2
b7C -2

[redacted] was to the right of the catwalk about ten heads back when she heard two fireworks go off at the Treasure Island show. Right after the fireworks she heard a string of fire crackers about five feet in front of her. Within seconds the shooting started.

On the first clip, she got down and by the second clip, everyone got down on the third clip her and about 20, others started to run diagonal towards the Tropicana. When she reached the parking lot, she saw a person whom she did not believe was an officer with an automatic high-powered rifle firing his gun. She ran past him and left the festival grounds ducking into the Tropicana.

There was another shooter underneath the kitchen or laundry room of the Tropicana. She did not see him but he starting firing. The group starting running out from their hiding place and a person in front of her was shot, she tripped over him, and her boyfriend caught her.

The group now about 12 to 15 continued to the IT Department and locked themselves in. They called security and a guard took them back to the strip when security said it was clear. [redacted] called her friends to see if they were ok and was told they were safe and at the MGM Grand. [redacted] heard gunfire and her friend saying I have to go. [redacted] saw masses of people running from the front of MGM and some were bleeding. [redacted] and her boyfriend met up with her friends at a private apartment nearby.

b6 -2
b7C -2

[redacted] and her friends believe there were more than one shooter.

(U) LAFO TFO [redacted] interviewed Officer [redacted] and Officer [redacted] [redacted] were at the Vegas concert all three days. Around 2200 hours on the 3rd day (Sunday), Jason the singer was almost done when there was the 1st volley of shots. There did not appear to be any injuries. Then a 2nd volley of shots from a larger caliber rifle caused multiple casualties, with mostly upper body and head wound strikes. Realizing this was an active shooter incident, and believing the shooter was amongst the concert attendees, the officers attempted to locate the suspect.

As further volleys occurred, the officers heard LVMPD radio traffic about the Mandalay Bay. The officers drew their attention towards the Mandalay Bay and noticed what appeared to be a strobe light halfway down the center portion where the two buildings are centered and meet. The strobe light appeared to match the volley pattern when shots were were being fired, and would pause when there was a lull in activity. The officers thought this might a diversionary tactics as to the real suspect's location. The officers did not notice any strobe activity during the 1st and 2nd days of the concert so it could be totally unrelated. They did not see any muzzle flash during the volley of fire. there appeared to be 5 or 6 volleys of gunfire.

(U) On 10/08/2017, the following individuals were interviewed at LAPD's Major Crimes Division office space:

Officer [redacted] Serial [redacted] contact [redacted] cell [redacted] work.

~~SECRET//NOFORN//20430703~~

Officer [REDACTED] Serial [REDACTED] contact [REDACTED] cell [REDACTED]
[REDACTED]

b6 -2
b7C -2

The officers attended all three days of the concert. On the third day, Sunday, October 1, 2017, at approximately 2200 hours, when singer Jason was almost done, the officers heard a volley of gunshots. The officers didn't see any impacts within the crowd, so the officers thought it might have been firecrackers. Then there was a second volley of shots from a much larger caliber of rifle and people were getting hit. Immediately, 8 - 10 people go down with upper body and head wound strikes. Most of the people getting hit were (if you were facing the stage, with Mandalay Bay Road directly behind the stage) just to the right, around the 2 o'clock position, in between the stage and seating to the right, near the porta-johns.

Realizing this was an active shooter situation, the officers initially believed the shooter was amongst the crowd, so they attempted to locate the shooter in hopes of defusing the situation. They jumped two fences and saw a female bleeding out from a major head wound. Another volley of automatic gunfire was still coming down, so the officers identified themselves as law enforcement [REDACTED] as they weeded through the crowd. Another individual identified themselves as CHP and he joined Officers [REDACTED] as they attempted to locate the shooter. They saw multiple upper body and head wound injuries to numerous victims. The officers asked "Where is the shooter" but no one gave a definitive answer. As they got near the porta-johns, there was a third volley of gunfire. As Officer [REDACTED] jumped another fence, Officer [REDACTED] said she was coming with him. Officer [REDACTED] said "No you're not." Officer [REDACTED] saw some LVMPD officers who were pinned down behind their cruiser near a small wall. A civilian was also with them. Their cruiser had multiple bullet holes. Officer [REDACTED] asked the officers for their shop keys saying "We' need a rifle." The LVMPD officers said "No, stay down." Officer [REDACTED] remained at Officer [REDACTED] side. LVMPD and the officers were able to safely extract the civilian through a hole in the fence just to the right of the LVMPD cruiser.

b6 -2
b7C -2

A makeshift triage center was created near the porta-johns. Officers [REDACTED] came across multiple victims and began to assess their injuries. The officers made multiple trips to the front of the stage and brought victims back to the triage area. Having served in Iraq, Officer [REDACTED] recognized the sucking chest wounds of multiple victims and directed that plastic be used to help stabilize the injuries until further MT was obtained. Twenty five attendees were hunkered down near the bleachers. When there was a lull in gunfire, they were directed away from the kill zone. The officers came across a female with a severe head wound. The family requested that they not leave them, so the officers and family members carried the victim to the beer tents, approximately 150 yards away. The officers looked for an ambulance but came across a LVMPD unit. The officers wanted to use the LVMPD cruiser as medical transportation but the LVMPD officer removed the keys so the unit would remain stationary.

b6 -2
b7C -2

Due to the number of casualties, Officer [REDACTED] thought there might be multiple shooters. Officer [REDACTED] heard radio traffic about the Mandalay Bay via LVMPD broadcasts. Officer [REDACTED] looked towards the Mandalay Bay and saw a strobe light flashing. The light was a half way up the center portion of the Mandalay Bay where the buildings meet. The light flashed in sequence with the volley of gunfire, then would pause when there was a lull in activity. The officers thought this might be a diversionary tactic to draw attention away from

b6 -2
b7C -2

the shooters location. Or as a distraction for shooters to maneuver on attendees. But there was a time when the strobe flashed without any volley of gunfire. The officers did not notice the strobe light during the first two days of the concert so it could be unrelated. As the officers scanned the Mandalay Bay, they did not see a muzzle flash.

The officers exited the venue and continued to access multiple victims. Vehicles were flagged down so they could evacuate victims and voluntarily transport them for further MT.

At approximately 0500 hours, the officers assisted LVMPD by making one last sweep of the venue. The place was a ghost town. Debris, clothes and several personal items were strewn throughout the area.

The officers arrived at the Tropicana. An Orange County deputy was screening people as they entered the casino. If you did not have a room key, you were denied entry. This was to prevent a possible suspect from blending in with the crowd.

The concert microphones picked up the gunfire, so it was broadcast through the speakers making it harder to detect the direction it was coming from.

There were a total of 5 or 6 volleys of automatic gunfire. At times, there was a 10 second pause between volleys. The shooter switched between small and large caliber weapons, making it appear as multiple shooters. There were at least two volleys of large caliber bursts. The shooter would shoot for 10 - 15 seconds at a time, possibly causing less accuracy than a military trained guy who would use 2 -3 second bursts.

Officers [] and [] will provide statements to their LAPD commanding officers and document their statements via LAPD Form 15.7 "Employees Report" to cover their actions that may be classified as On Duty Activity.

(U) On October 8, 2017, [redacted] date of birth [redacted] cellular telephone number [redacted] was interviewed by FBI Special Agent [redacted] and FBI Task Force Officer [redacted] at [redacted] residence, [redacted]

[redacted] After being advised of the identity of the interviewing agents and the nature of the interview [redacted] provided the following information:

On October 1, 2017, [redacted] flew from Kansas City airport on a Southwest direct flight to Las Vegas with his co-worker [redacted] stayed at the Luxor Hotel. [redacted] arrived at the Mandalay Bay Hotel around 5pm and checked into his conference, [redacted] b6 -2,3
b7C -2,3

[redacted] (he had been registered for this conference since early September 2017). The conference was schedule for October 2 - October 5, 2017. After checking into the conference, [redacted] checked into his room and went to his room number [redacted] While in his room, [redacted] noticed his neighbor (whom [redacted] never observed or heard), room number [redacted] was playing loud music. At approximately 7pm, [redacted] left his room and met [redacted] for dinner and went to the Casino. [redacted] took the express elevator back up to his room around 9pm. When [redacted] returned to his room the neighbor, room number [redacted] wasn't playing loud music any more but their door was slightly ajar.

[redacted] was getting ready for bed when he heard the first round of what he believed were fireworks. He heard approximately 30-40 rounds. [redacted] looked out the window towards the concert to see if he could see any fireworks and he didn't see anything unusual. Less than a minute later, [redacted] heard the second round of what he thought were fireworks. When he went to the window this time he thought maybe they were coming from the roof of the hotel. He described the sound as having more of an echo and there were light particles hitting his window. Again he heard approximately 30-40 rounds. [redacted] was

b6 -2
b7C -2

~~SECRET//NOFORN//20430703~~

going to go to the lobby area and when he entered the hallway he observed police officers and they instructed him to stay in his room. [] reentered his room and heard the third round, at this point he realized the noise wasn't fireworks but was fully automatic gunfire. [] didn't go back to the window this time, he got down low and turned on his "Police Scanner +" on his cellular telephone. At this point he realized there was an active shooter.

b6 -2
b7C -2

On October 2, 2017, at approximately 4 am, the police SWAT team knocked on [] door and looked around his room and verified no one else was present. At approximately 6am, [] read his email stating the conference was canceled for the day and the hotel was on lock down. [] was notified at approximately 9am the hotel was off lock down. The [] Conference resumed on October 3 - October 5, 2017. The conference had heightened security, the participants went through metal detectors and bags were checked. [] had to show his room key before entering the hotel elevator. Floor 32 of the hotel was closed off to the general public. [] checked out of the hotel on October 6, 2017, at approximately 3:15 am to go to the airport for his 7 am Southwest flight back to Kansas City.

b6 -2
b7C -2

[] was never approached by any Law Enforcement officer while in Las Vegas to be interviewed. However [] did speak with the local media in Kansas City about being in the room [] (link to the news article <http://www.kansascity.com/news/local/article177047656.html>).

b6 -2
b7C -2

[] stated he never observed the shooter or the shooters girlfriend while in Las Vegas. Nor did [] hear anyone at the conference talk about observing anything strange prior to the shooting.

(U) Recorded interview of [redacted] conducted by Detective [redacted] prior to the beginning of SA [redacted] shift. Transcripts to be uploaded upon receipt.

[redacted] date of birth [redacted] social security number [redacted] telephone number [redacted] was interviewed at the Mandalay Bay by LVMPD Detective [redacted] and FBI Special Agent [redacted]. Also present during the interview was MGM Corporate Counsel [redacted]. The interview was audio recorded and a transcript will be provided upon completion. The following is a synopsis of the interview and is not to be considered a verbatim transcription:

b6 -1,3,5
b7C -1,3,5

[redacted] is an armed bicycle officer who works at Mandalay Bay. [redacted] was working on the night of October 1, 2017. At approximately 10:00 p.m. [redacted] received radio traffic from one of the security managers indicating that there was possibly an active shooter at the Luxor. [redacted] was heading to that area when he received a radio dispatch to go to the 32nd floor to check on security officer [redacted] who had been shot allegedly with a pellet gun. [redacted] and his partner [redacted] subsequently responded to the 32nd floor via the elevator. On the way up to the 32nd floor, security manager [redacted] and a manager named [redacted] from the engineering department got on the elevator. When they got to the 32nd floor, 100 wing, they heard what sounded like automatic gun fire coming from down the hallway. [redacted] described the gunfire as being in 2-3 rapid bursts with pauses in between. During on the pauses security guard [redacted] was able to run down the hallway to safety. [redacted] noticed a small wound on [redacted] leg at that time. [redacted] further advised that LVMPD responded shortly thereafter and [redacted] held down the 200 wing and later helped with the evacuation of the floor.

(U) Writer talked with [redacted] over the phone and through email. [redacted] was in attendance at the Route 91 music festival. He was on the east side of the stage next to the ADA boxes. [redacted] was taking videos of the performers, but did not have any videos that he personally took during the shooting. [redacted] located the listed YouTube video that depicts the scene during the shooting and shots can be heard (<https://youtu.be/QCrNsC0mTBg>).

[redacted] stated that the first three seconds of that video, you can hear muffled automatic gunfire, within the hotel. The shots then stop and start again at 3:12 mark when [redacted] first heard actual pops. [redacted] added that the shooter didn't turn toward crowd until 3:12 mark, then came back with automatic fire at around the 3:57 mark.

b6 -2
b7C -2

[redacted] also gave the analysis that the shooter started shooting at 2200 hours, which is similar to the character in the movie "The Accountant". [redacted] believes that the shooter, Stephen Paddock, might have been trying to emulate the lead character in the movie.

(U) [redacted] Assistant Security Manager, Mandalay Bay Hotel and Casino, date of birth [redacted] social security number [redacted] was interviewed at the Mandalay by LVMPD Detective [redacted] and FBI Special Agent [redacted]. Also present during the interview was MGM Corporate Counsel [redacted]. The interview was audio recorded and transcript of that interview will be uploaded upon completion. The following is a synopsis of the interview and should not be considered a verbatim transcription:

[redacted] was working as the Assistant Security Manager at the Mandalay Bay on October 1, 2017. At approximately 10:00 p.m. [redacted] received a radio call indicating that a security officer had been hit with a pellet gun. [redacted] along with security managers [redacted], two LVMPD officers, and an engineering manager took the elevator up to the 31st floor. They got off on the 31st floor and heard gunshots from what sounded like the 32nd floor. [redacted] and others continued up to the 32nd floor. [redacted] and the LVMPD officers went down the hallway of the 31st floor to the stairwell. [redacted] and his group secured the stairwell so no one would be able to exit the 32nd floor stairwell without them noticing. [redacted] and his group secured the central core of the 32nd floor so no one would be able to exit via the elevators without them noticing. [redacted] described the gunshots as occurring in 3 separate bursts. The first burst sounded like a fully automatic weapon. The second burst of gunfire sounded like a larger caliber weapon. The 3rd was a single shot from what sounded like a handgun. There were no further shots after that.

We were on the grass area on the right side about 15 ft from front and 15ft from center. We were in the same area all 3 nights. This may not be anything. However when I saw that he had a note with wind trajectory it reminded me of two "poppers" that went off about 15-20 minutes prior to the shooting. One went off about 10 ft behind us. Ten about 5 minutes later (about the time it would take to weave through a very crowded area) another went off 10 ft in front of us. These were the only two confetti poppers I saw all weekend in the same area. I did mention this the next day to my family as I thought is was odd. I also have not heard any mention that about 15-20 seconds prior to the automatic gun fire there were two solo shots that sounded more like hand gun fire. But it is the poppers that I think may have been used to give him the wind trajectory. As I mentioned it could be nothing. However, if someone saw the actual person doing this it could dismiss them or confirm that this person was assisting from the event to gather accurate wind info.

[] provided the following summary of her experience the evening of the shooting: [] along with her boyfriend [] were staying at the Luxor and attended the concert, arriving at approximately 5:00pm. They met some friends at the concert venue (group of about 13). They proceeded to move up toward the right side of the stage around the time that Big and Rich began to play. When the first few rounds were shot it sounded like fireworks. A friend in their group [] was shot early on in the arm and they were confused assuming a firework hit him. Then the automatic gun fire commenced the group quickly realized what was going on and they all hit the ground. After the first wave they got up and proceeded to attempt to exit when they heard the next wave of gun shots causing them go to the ground again as they saw a few folks around them get shot. [] was shot during the second wave of gun shots despite her boyfriend laying over her to shield her. Although she was shot she was still mobile and her boyfriend assisted her as they eventually exited onto Reno Blvd away from where the gunshots were coming from. Upon exiting the venue they flagged down a Lyft driver who transported her along with two other victims toward Caesar's Palace where an ambulance from there transported her to Sunrise hospital. She was released from the hospital the next day.

b6 -3,6
b7C -3,6

[] stated that she does not have any pertinent photographs or video of the event.

STATEMENT OF: OFFICER [REDACTED]

b6 -5
b7C -5

[REDACTED] Okay, so, um, just start by telling us, uh, how you learned about the call, uh, what you learned and how you responded to it.

[REDACTED] Okay, so from what I remember as far as location I - I believe I was on the Boulevard, uh, right around Fashion Show, maybe somewhere right in there, um, and I remember the first, uh, the first radio traffic being something along the lines of, uh, one of the - the overtime units saying, um, "We have multiple shots fired, um, at the Mandalay Bay." Um, "Active shooter." Um, and I, you know, went ahead and assigned myself and I started - I activated my body-worn camera, um, started rolling, um, lights and sirens to the, uh, towards the scene, uh, going, uh, south on the Boulevard. Um, took the Boulevard all the way down. On - on the way there, um, I heard some - some other radio traffic about multiple casualties, automatic gunfire, um, and also, um, that - before I got - I think it was right before I got there I started hearing things about the shooter's possibly at an elevated position. Um, but at that - at that point they didn't say exactly where. I assumed the Mandalay Bay but, um, so as I was approaching, um, I stopped a little short, um, on the far north side of the festival grounds, um, in the middle of Las Vegas Boulevard. Um, so it would - it would have been south of Reno but before you actually get to Mandalay Bay. There's like a turn and then the - the, um, north side of the festival grounds to exit, um, that's where I - where stopped right around there. Um, deployed by shotgun, um, and then another unit was at [REDACTED] I believe it was [REDACTED]

b6 -5
b7C -5

[REDACTED] - um, Officer [REDACTED] uh, was arriving at the same time. Um, and based on the radio traffic that's why I kind of felt - or stopped there. Um, 'cause it still - it still wasn't clear if the shooter was inside or outside, so I first started traveling east towards the

far south side of festival grounds, uh, with Officer [REDACTED] Uh, and we saw people pouring out running, um, going north on the, you know, on the Boulevard out of the fair grounds. Made contact with a few people, asked where the shooter was? Who, you know, if they could - any description, anything like that? And at that moment there was - there was no gunfire so, um, maybe about 15 seconds after that, uh, he - he opened up. Um, again and we heard the automatic rifle fire. And I turned and looked and I could see the muzzle flashes coming from up on the Mandalay Bay. Um, immediately started running, um, west back towards our vehicles. I'm still kind of southwest. Um, tried to get radio traffic over that the - that any arriving units should stop short and not go past, uh, kind of where we were. Could not, just couldn't get in on the radio. Um, even when I hit my emergency button I couldn't get through. Um, crossed west, um, and then met up with another arriving officer. I'm not sure who - who he was, but he had a, uh, rifle. We started a three man team. Um, we were getting, you know, I don't know what it was, sixty or whatever rounds. And then there would be a short break and then he would open up again. Uh, we started running, um, south, um, kind of hugging whatever cover we could find. Um, and then started moving west, um, towards - to hug the Lux- you know, whatever part of the Luxor we could, the parking lot that's just adjacent there. Um, as we were running, um, I believe it was the sergeant for the overtime of the event we ran into 'cause he was wearing, um, the - the actual, uh, vest, the - the - the, uh, bright green vest. Um, but I can't remember his name if I'm being honest. Um, we - we - and as - so we just kept moving, um, south towards, um, the Mandalay Bay. By then we kind of had - had an idea what his vantage point was so

VOLUNTARY STATEMENT

PAGE 5

EVENT#: 171001-3519

STATEMENT OF: OFFICER [REDACTED]

b6 -5
b7C -5

we were trying to go as far west so that we could enter the hotel, um, without being in his line of fire. But he was really pinning - pinning us down a lot. So we got stuck at one point and just - we couldn't move for maybe - it felt like forever but it was prob- I think it was probably just a couple of minutes. Um, kept moving south. Um, and by the time we crossed the street, uh, Mandalay Bay Drive to go into the Mandalay Bay we had maybe about an eight man element by then. Um, 'cause people just kept joining up. Um, we tried to get in the south - or it would have been -- I'm sorry -- the north doors of Mandalay Bay, and we couldn't get in. Um, and then we found on employee that could get us in through their concert hall there. Um, so the entire team entered through the concert hall. Uh, went up the stairwell. We form- we formed, uh, it was like either two four-man elements or there might have been nine, you know, it might have been uneven but we tried to break it up into two elements, uh, and we start - and by then the gun - we knew the gunfire had stopped for at least a couple of minutes. Um, the information we had when - when we entered the building was just we had an id- an approximation that it was 32nd floor because of security. Um, so when we went in our - because the gunfire had stopped what we - what the plan was was to try to contain him from leaving the building. So, um, we started moving through the casino in a group. Um, started clearing everybody out. Um, patting everybody down we could. Um, made contact with a couple security officers who, you know, said that he was on the 32nd floor that when - that he had a camera set up, um, and that he had screwed the fire exits closed and that when they tried to go up there that he, um, turned around and did automatic fire through the door, um, and that, you know,

b6 -5
b7C -5

I guess it would be north, window, you could see just barely. Intermittently you could see some flashing, but then once we started to move a little bit more west couldn't see it anymore.

☐

Can you - can you try to - can you tell me how many volley - volley of fires you think, um...

b6 -5
b7C -5☐

Uh...

☐

...that you heard while you were there?

☐

Two. I wanna say six. At least six. Um, you know, and it sounded like a lot more than 30 like at a time, so I - like I just - I've heard a lot of people say 30 rounds at a time. To me it sounded like it was a little bit more than 30 going at a time.

☐

And then as far as, um, the volley, so there's one and then pause and one and then pause. The sound of the weapon the suspect may have used what - what do you think? Was it - was it fast burst, was it slow?

b6 -5
b7C -5☐

It sounded - it sounded fully automatic. Like it didn't - it sounded so fast that it didn't seem like somebody could - could just do that with, you know, just by - by, uh, hitting the - the trigger over and over again. I mean, it sounded fully auto as it was going off absolutely.

☐

What did security - you said security told you that the guy had, um, cameras.

Yes.

What - what exactly did he tell you?

b6 -5
b7C -5

[REDACTED] This is Detective [REDACTED] with the Force Investigation Team, ah, conducting a recorded statement under event 171001-3519. Ah, person giving the statement will be, ah, [REDACTED] His call sign [REDACTED] at the time of the incident was [REDACTED]

b6 -5
b7C -5

[REDACTED] Ah, however, on the date of the incident he was assigned to Special Events working the Route 91. Ah, working 1700 to midnight. The

VOLUNTARY STATEMENT

PAGE 20

EVENT#: 171001-3519

STATEMENT OF: SERGEANT [REDACTED]

[REDACTED] Understood. And with your - with your military experience and - and knowing the different weapons systems the only other question I have is the rounds of fire were they all automatic?

b6 -5
b7C -5

[REDACTED] The ones I heard after the initial volley were all rapid, rapid fully automatic.

b6 -5
b7C -5

Okay and what would you - to your best guess would you say the volley of rounds would be 30 at a time, 50 at a time, 200 at a time or more?

At least 50 at a time. Maybe more. Yeah, I mean there was one volley that was going for - for a substantial amount and it seemed like a substantial amount at the time. And you just thought it wasn't gonna stop because everything - ah, in a critical incident like that is just, ah - the time seems to - to tick away so long and, you know, you're like, "Is this ever gonna stop." Especially when it was hitting the car and we was right there. It just - yeah, it seemed like it was going off forever but I'm sure it was only few second. So, yeah.

[REDACTED] That's all I have.

b6 -5
b7C -5

I don't have any questions, thank you.

Ah, I do have one question just because of a line that [REDACTED] went down. Um, the first initial ones you said that, you know, they sounded different. Um, were those - were those fully - those were not like fully automatic big bursts or were they more like single shots?

VOLUNTARY STATEMENT

PAGE 21

EVENT#: 171001-3519

STATEMENT OF: SERGEANT [REDACTED]

b6 -5

b7C -5

[REDACTED] Ah, you know what, I not 100% sure on that I - I think it might have been fully automatic but we was a little bit further - further north as well. Um, when we - when I heard those. They just - I think they were fully automatic but they just sounded different.

b6 -5

b7C -5

[REDACTED] Okay. That's all I have. 'Kay, appreciate your, ah - appreciate your time and your interview. And I too want to thank you for your actions out there and, ah, commend you for that. We'll go ahead and end the interview. Ah, same persons are present, time is 1951.

THIS VOLUNTARY STATEMENT WAS COMPLETED AT LVMPD HEADQUARTERS, 400 S. MARTIN LUTHER KING BOULEVARD, LAS VEGAS, NV 89106, ON THE 3RD DAY OF OCTOBER 2017 AT 1951 HOURS.

b6 -5
b7C -5

[REDACTED] His call sign at the incident was [REDACTED] He is with SWAT, uh, red team or blue team?

SO: Red.

CJ: Red team. [REDACTED] His vehicle number that he responded with was [REDACTED] This interview is reference a, um, a incident at the Mandalay

VOLUNTARY STATEMENT

PAGE 12

EVENT#: 171001-3519

STATEMENT OF: OFFICER [REDACTED]

[REDACTED] Um, which was frustrating because I felt like this guy was either dead inside the room or not in the room and mobile and going to different locations and we were be- like, behind the power curve. Um, or there was multiple shooters, like, in multiple - multiple guys are out there doin' this. Um, so fast forward again to - at the door - at the last room in this suite. I'm thinkin', "Okay, there's maybe multiple shooters. We're at the last room, the door's closed." [REDACTED] recognized it too and he set up a - another breach on that door. Um, he breached that door and he - so he breached that door. I was first in. As I started to round the corner, I felt, like, "All right, I'm gonna go to select fire," which is fully automatic fire, um, on the M4. Uh, just in case I need it. So, it's kind of an awkward move with your thumb, you gotta flip it up like you normally do from safe to semi-automatic, and then you gotta flip it again all the way backwards on itself to go to full auto. So, as I'm doin' that move with my thumb, I think my finger slipped down a little - a little bit. We were kinda bumpin' and grindin' as we were comin' around the corner [REDACTED] For some reason, I don't know why.

b6 -5
b7C -5b6 -5
b7C -5

[REDACTED]
[REDACTED] Um, but the move of my thumb tryin' to get it all the way over to, um, select fire, and the movement around the corner, and kinda the bump with the guys [REDACTED] into the wall next to the door. Um, [REDACTED] obviously and continued the movement into the room. Wrapped into the room, cleared it, um, there was multiple weapons in the room, a couple rifles on the bed, um, and some more ammo up next to the window. Uh, we cleared the bathroom, nothin' was in there. Um, at that point, the whole place

VOLUNTARY STATEMENT

PAGE 19

EVENT#: 171001-3519

STATEMENT OF: OFFICER [REDACTED]

b6 -5
b7C -5

[REDACTED] Okay. Now, with that, going, uh, into the room, as you're clearing, um, des- you said there - there were rifles and weapons inside there. Kinda describe, from your knowledge base, of what kind of rifles and - and firearms that you saw there.

[REDACTED] Um, they all seem like pretty high quality, um, either M4, which would be 556 or AR10 style rifle, which is, you know, 308, just based of the sizes of the magazines. Um, and the, uh, rounds, or spent casings that I saw on the floor. I saw 556 and 308 casings, um, on the floor. Uh, they were semi-automatic rifles. Most of 'em were black. I did see one bolt action rifle in there. I think it had a green stock, if I remember correctly. Um, that was in the room to the left. Um...

b6 -5
b7C -5

[REDACTED] To the left as you're go into the room?

b6 -5
b7C -5

I mean, I'm sorry, I keep getting my left and right messed up. To the right - it was the room to the right.

Okay. All right.

Um, and then just the, uh, the - the small pistol, uh, on the floor. But the rifles were all black in color, uh, they were all semi-automatic rifles except that one bolt action. They all looked like 556 or 308 caliber. Um, I didn't pick anything out to inspect, you know, brand names or...

[REDACTED] Mm-hm.

b6 -5
b7C -5

...anything in-depth about the rifles, but to me, they looked high quality. I saw at least one with - with an optic on it, a scope style optic I believe. Um, that's about it.

know, if rounds were to come at least I had my rifle plates, he had his rifle plates and we were able to protect those officers and at least be able to, you know, engage back if we had to. Once they reached us we tucked back in to kind of cover a little bit, we let them set up on the door. And then, uh, you know, once they get set, once they say that they're ready and set, that was when the breach happened. So the breach occurred, waited a couple seconds. Uh, the SWAT officer and I then, uh, immediately started, uh, moving forward towards the - towards the team that was already there. So once that door already hit the SWAT officer and myself moved in, um, and smoke alarms, you know, everything started goin' off. We - I was probably, you know, maybe # 2, # 3 going into the stack, going inside the room and, um, immediately, you know, we were prepared for if possible IED or if rounds we're already gonna start firing at full auto. But we - we went in, made entry. I, uh, I rolled left into a - into a bedroom and I could tell it was a big suite, I immediately rolled left, there was a bar area to my right of the door and, um - there was a bar area to my right of the door and then I came in, um, you know, I'm scanning and I immediately roll left. I take long - I continued, um, when I made left into the bedroom -- 'cause it was a bedroom, uh, I'd imagine it's the master bedroom 'cause it's only a bedroom there -- I immediately made a left, made - went long, checked behind all the curtains, the beds, and then, um, I - I believe the SWAT officer came in and checked his area and, you know, we, uh, we cleared that, noticed several luggages there and, you know, there was like I remember at least three luggages that were just properly like neatly placed right next to each other next to the bed. Um, exited out is when, um, I saw multiple shell casings everywhere, like a lot

b6 -5
b7C -5

we switched over and started listening to the radio traffic. And when we heard the frantic radio traffic going on we decided to respond to the scene. Um, we, uh, activated lights and sirens. Um, got down there as quickly as possible. We parked right in front of Mandalay Bay. The only information we had is there was a shooter. Someone was shooting in the area of the Boulevard and like Mandalay Bay in that area. We didn't know where. Um, both me and Officer [REDACTED] parked our cars in front of Mandalay Bay on the east side of the street. Um, when we, uh, exited our vehicle, um, I deployed my shotgun, uh, Officer [REDACTED] was behind in his vehicle. He was goin' to gear up with his rifle. At that time we heard, uh, automatic gun fire coming from the area, but we didn't know exactly where. Um, there was radio traffic that the - the, uh, gun fire was possibly coming from one of the rooms at Mandalay Bay. So at that time we took cover behind our cars and we were tryin' to assess where the gun fire was coming from. After probably about, mm, a couple of minutes - maybe a minute or two, um, we couldn't locate exactly where the gun fire was coming from. Um, I said to [REDACTED] Officer [REDACTED] that we needed to move. We cannot sit - sit here. And - and notice that the gun fire wasn't - didn't appear to be coming to our direction. Even though we were in the line of fire. It - I - I didn't hear the gun fire come from overhead. And at that time I was like, "We need to get to Mandalay Bay. We cannot sit here behind cover if the guy's continuing to shoot." So once there was a lull in the action, um, I went over to Officer [REDACTED] car and just - when the shooting stopped we decided to run across the Boulevard towards Mandalay Bay as quickly as possible. And that's what we did. We took off on foot. Sprinted across the Boulevard and I was with another - I briefly lost

evac - and we'd go up there and grab them and get them outta there. Because we were - half our - half the officers there were not - did not have ample fire power to engage a suspect with automatic weapons. So, um, the S.W.A.T. officer blew the door, um, assessed and I believe the first - I'm not sure how many - there was a canine officer there that was - had a rifle. And I'm not sure if another S.W.A.T. officer - I'm not sure. There was three of them that went in there. And, uh, went in to clear the room. We moved up into the - the stairwell. A few of us holding the doors open and we believe that the suspect also had access to one of the side rooms. So the room across the hallway we covered while they cleared the room. Um, we held that for a few moments. We did hear that they said that there was a suspect down. And that they needed another breaching charge. So at that time they went back into the hallway. I grabbed a breaching charge got it up. They, uh, applied it - I'm not sure where they applied it in the room, uh, they detonated that breaching charge. And cleared I guess the rest, uh, the, uh, secondary room of the - the other room. Um, during that time I'm not sure exactly when they were clearing or at the end or when the breaching charged, but I did hear three gun shots. Um, I did not know who fired. I never got that information. I had no idea if they shot the suspect or I - I'm not sure what happened when I heard those gunshots. Um, at that time once they said that those rooms were cleared. The rest - we met up with the rest of the officers that were coming down the hallway. Um, I briefly stepped into the sus- suspect's, um, suite - for momentarily I stu- I think I took a step in. I took a look around. Um, at that time, uh, it was decided that they were gonna start clearing all these rooms in this hallway. So

VOLUNTARY STATEMENT

PAGE 9

EVENT#: 171001-3519

STATEMENT OF: OFFICER [REDACTED]

b6 -5
b7C -5

[REDACTED] Um, you grab your - your gauge. [REDACTED] grabs his rifle.

[REDACTED] Yeah.

[REDACTED] And you guys are behind cover tryin' to assess where the gun fire is coming from 'cause it's still so much confusion...

[REDACTED] Yes.

[REDACTED] ...as to where it is. Um. while you guys are back there you can hear the automatic gun fire.

b6 -5
b7C -5

[REDACTED] Mm-hm.

[REDACTED] Um, could you tell, like was it just - rapid automatic, like, multiple bursts with breaks in them or was it just continuous?

[REDACTED] It was pre- it seemed pretty continuous. There was some breaks, but it - it seemed continuous. So...

[REDACTED] The automatic gun fire that you were hearing was it, uh, consistent, like the same caliber sound the entire time or were there times where it was larger caliber?

b6 -5
b7C -5

[REDACTED] I'm - I'm not great with that. So I couldn't tell you if it was different calibers or not.

[REDACTED] Okay. But you were hearing was just the automatic gun fire the whole time? Do you remember hearing any like louder consistent slower shots?

b6 -5
b7C -5

[REDACTED] Yes, I mean it did - it did fluctuate...

[REDACTED] Okay.

VOLUNTARY STATEMENT

PAGE 11

EVENT#: 171001-3519

STATEMENT OF: [REDACTED]

[REDACTED] Yeah.

b6 -5

b7C -5

Um, you go in. Meet up with security. You guys start formulating a plan.

Mm-hm.

Like, do we - let's get more resources at least get 'em this way more rifles 'cause you know...

Yeah - yeah.

...somebody has an automatic weapon.

We thought they may be coming down...

b6 -5

b7C -5

Yeah.

...to the lobby. I mean...

So you guys are planning for if he comes down we need more equipment - more guns - more people...

Mm-hm.

Um, get somebody in surveillance to start finding cameras - start working that.

b6 -5

b7C -5

Mm-hm.

So you guys are doing a whole bunch of planning right there w- as - as more resources show up, um, security is telling you maybe 29 - maybe 32 - possibly both.

Yeah.

b6 -5

b7C -5

So Sergeant [REDACTED] shows up. Other officers, you know, like - let - let's go.

VOLUNTARY STATEMENT

PAGE 16

EVENT#: 171001-3519

STATEMENT OF: [REDACTED]

b6 -5
b7C -5

[REDACTED]

Um, you know, with this being so dynamic and, you know, this guy's throwing automatic weapon fire when S.W.A.T. gets there it's like, "Hey, you know, we need to make sure this over."

[REDACTED]

Mm-hm.

And did you see the suspect when he was down when you went in the room or did you...

No.

b6 -5
b7C -5

Okay.

I peeked in the - just kinda the whatever the entry room is. I kinda peeked in I saw a - what appeared to be an automatic weapon or rifle on the ground. And that was the extent of it.

[REDACTED]

Okay.

At that point I didn't want to enter the scene after they already cleared. There was no reason for me to be in there.

b6 -5
b7C -5

Okay.

So I stepped out...

Okay.

...so.

b6 -5
b7C -5

[REDACTED]

All right, you just kinda stuck in the foyer area.

VOLUNTARY STATEMENT

PAGE 17

EVENT#: 171001-3519

STATEMENT OF: [REDACTED]

[REDACTED] Yeah.

b6 -5
b7C -5

While the rest of the guys - they had cleared it.

[REDACTED] Mm-hm.

[REDACTED] And then it's like, "Okay, hey we got other stuff goin' on let's get down. Let's clear this. Let's get outside. Let's go start working these other scenes."

Yes.

All right. Um, as you're down - down the street and you're hearing the automatic gun fire and, you know, people are hit. Um, what's your mindset going at that time. I mean is this like - were you concerned he's gonna suddenly track and see your cars down there and...

b6 -5
b7C -5

I - yes, that was a concern, but it was also that we need to get to this guy.

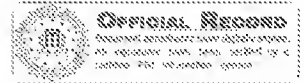

Yeah.

We have to stop this guy. We need to get over there. You know, 'cause we - no one really knew where it was coming from, but we knew - okay at least we know it's the hotel. It's coming from that hotel. And we had to get over there. We just - we can't - I can't - I'm like I'm not goin' to sit behind my car especially if we're not taking fire.

b6 -5
b7C -5

[REDACTED] Yeah.

And we had no real cover besides our cars. So, um, I was like we need to go. Just get over there. So that - that's when we decided to hey, at least let's get over to the

Form:
information: This video shows muzzle flash from top of elevator shaft at Delano https://www.youtube.com/watch?v=6sfnvjba7Q

This second video shows two different muzzle flashes coming from Mandalay Bay about middle 4th Floor above light (there is another
video showing a muzzle flash from this same location and the muzzle flash is to the left of the window - two shooters).

This second video also shows another muzzle flash on the 2nd Floor far right same building. These two videos show three different
shoots not counting the shooter at gate #7 who was on the ground level firing into the crowd with what looked like to me a full-auto
Glock pistol with extended clip. Here is the second video: https://www.youtube.com/watch?v=Mzyb-6DI7zA&feature=share

(U) On 10/05/2017 SA [redacted] left a voicemail at [redacted] to call back. The message indicated to leave a message for [redacted]. In addition SA [redacted] was sent an email to [redacted] to follow up with a call to arrange an interview. An auto office reply indicated [redacted] would be back on 10/16/2017. SA [redacted] and TFO [redacted] traveled to [redacted]. The address was for an office building with multiple tenants. [redacted] confirmed [redacted] works for [redacted] and [redacted] was at Las Vegas for a business conference with several other employees at [redacted] all believed to have group booked rooms. [redacted] stated [redacted] stayed in Las Vegas after the shooting on Sunday (10/1/2017) for the business conference and was due to fly back on 10/06/2017. [redacted] did not have a home address on file for [redacted] but stated [redacted] and mostly telecommutes from home. SA [redacted] left contact information with [redacted] requesting [redacted] call SA [redacted] as soon as possible.

(U) [redacted] DOB [redacted] home address of [redacted] cellular [redacted] was interviewed telephonically on 10/06/2017 around 9:01 AM by FBI Special Agent [redacted]. After being advised of the identity of the interviewing investigator and the nature of the interview, [redacted] provided the following information:

[redacted] flew into Las Vegas from Massachusetts on 10/1/2017 arriving in the evening. After checking into the Mandalay Bay Hotel and Casino around 8pm [redacted] had pizza down in the lobby area around 9:30 PM before returning to his hotel room [redacted] and going to bed. b6 -2
b7C -2

[redacted] woke up that night in his hotel room to the sounds of gunfire. [redacted] heard 3 long streams of fire lasting about four seconds each with about five seconds of pause between streams of fire. [redacted] indicated the streams of fire had a rhythmic pattern. [redacted] realized the sound was coming from outside his room which was overlooking the concert below. [redacted] noticed people in the center of the concert area on the ground not moving while people outside the concert fence enclosure were moving away. [redacted] watched outside for about five to ten minutes from his hotel room as the guns shots continued. b6 -2
b7C -2

[redacted] heard law enforcement say to everyone in the hallway to go back to their rooms. Shortly thereafter, law enforcement was telling everyone in rooms down the hallway to get their hands up and come toward law enforcement slowly. Law enforcement knocked on every door, entered and escorted everyone out of the hallway leaving only room 135 not entered. [redacted] remembered law enforcement going down outside his hallway discussing details of the shooter and having isolated the shoot to room 135. b6 -2
b7C -2

[redacted] remembered when law enforcement entered his room with guns drawn and then evacuating [redacted] and others down the hallway to an elevator vestibule. Nine people were waiting to evacuate when law enforcement took [redacted] and others down the elevator to the lobby. [redacted] traveled down Las Vegas Boulevard until reaching another hotel a few miles away and stayed the night. b6 -2
b7C -2

[redacted] stayed at a Hilton on 10/1/2017 after being evacuated from the Mandalay Bay Hotel and Casino. [redacted] went the following day to retrieve his belongings from his hotel room. b6 -2
b7C -2

[redacted] stated having no contact with Stephen Paddock to include leading up to the shooting incident on 10/1/2017.

[redacted] was in Las Vegas to attend a work conference for several days and then traveled on 10/05/2017 to Orlando, FL for a

FBI 18-CV-1920-80

b7E -1

personal vacation with his family. [redacted] is willing to be contacted for any following questions.

b6 -2

(U) On 10/13/2017 [redacted] emailed SA [redacted] with additional information pertaining to the events on 10/1/2017.
Below is the email:

Hi Agent [redacted]

I realize your focus might be squarely on learning all you can about Paddock, but given all that I'm reading lately about the timeline and order of shooting of [redacted] vs. the concert crowd, I just wanted to reiterate what I witnessed. My apologies if [redacted] is not within the scope of your investigation, but perhaps still helpful:

b6 -2,6
b7C -2,6

As you know, my room [redacted] was overlooking the concert. I am 100% certain I heard "outside" shots - several long rounds of gunfire that sounded like they were coming from outside - had a reverberation/echo to it. (we now know this was the gunfire into the crowd.) AFTER several rounds of this, I definitely heard a similar [automatic weapon] gunfire that sounded different: much louder, not reverberating, not as long as the "outside" rounds", and sounded like it was coming from inside the hotel (the hallway). After this shorter round, I continued to hear several more outside rounds, then I heard the same "inside" round again.

I definitely heard at least 2 "inside" rounds as described above, in-between the "outside" rounds. I cannot be certain but there may have been a 3rd inside round. If needed I can explain my thought process as to why I am certain I heard this at least twice.

My apologies as I know this would also be very helpful, but I do not know exactly what time I heard these 2 different gunfire sounds.

I'm happy to speak more if needed.

Thank you -

[redacted]

FEDERAL BUREAU OF INVESTIGATION

Date of entry 10/07/2017b6 -2,3
b7C -2,3

[redacted] phone numbers [redacted]
and [redacted] home address [redacted]
[redacted] were interviewed on October 2, 2017 at SUNRISE HOSPITAL AND
MEDICAL CENTER (SUNRISE), 3186 S Maryland Parkway, Las Vegas, NV 89109.
After being advised of the identity of the interviewing Agent and the
nature of the interview, [redacted] provided the following information:

b6 -2,3
b7C -2,3

[redacted] and husband [redacted] arrived at the concert at approximately 6pm and
stayed on the side closer to the airport. Prior to the shots being fired,
[redacted] did not see anything or anyone suspicious. At first she thought the
sounds were fireworks, first one then multiple back to back. At that time
some concert attendees started moving, the music stopped, and the lights
came on. The music briefly came on again which was when [redacted] heard the
sounds change from fireworks to machine gun. The shots sounded like they
were coming from the direction of the stage and were very close. Some
shots sounded louder than others.

[redacted] was injured approximately two minutes after the shots began but
she and [redacted] hid under some bleachers before making it to the street.
There they were told by an EMT to get behind a car and that [redacted] injury
was not severe enough for an ambulance. [redacted] received a ride to
SUNRISE from a stranger, [redacted] (spelling unknown). They heard gunshots
until they were in the car leaving the area. Neither [redacted] had
photos or videos of the shooting.

b6 -2,3
b7C -2,3Investigation on 10/02/2017 at Las Vegas, Nevada, United States (In Person)File # 4-LV-2215061 Date drafted 10/02/2017by [redacted] b6 -1
b7C -1

FEDERAL BUREAU OF INVESTIGATION

Date of entry 10/23/2017

[redacted] date of birth (DOB) [redacted] social security number [redacted] residing at [redacted] contact number [redacted] was interviewed telephonically in follow-up to a tip she provided to the FBI Public Access Line (PAL) Unit on 10/2/2017 (Intake-CJIS-132, INVEST Lead-LV-134). After being advised of the identity of the interviewing Agent and the nature of the interview, [redacted] provided the following information:

b6 -2
b7C -2

[redacted] stated that she and [redacted] attended the concert on 10/1/2017 and they were standing about mid-way from the stage, almost to the grass and where a sign stood that divided the viewing area halfway which was also in front of the House of Blues. [redacted] heard what she thought was glass breaking that went "pop - pop" and then a larger white girl in front of [redacted] dropped to the ground. [redacted] first instinct was to help the girl but she also heard people screaming behind her. As [redacted] reached down to help the girl that fell to the ground, [redacted] heard that girl's friend yell the name [redacted] saw blood coming from the downed girl's nose, mouth and eyes. About twenty (20) seconds later, [redacted] stated that she heard a machine gun. [redacted] knew that the noises were from a gun so he picked [redacted] up and told her to run. [redacted] emphasized that the first "pop - pop" sounds she heard were "right there" and they sounded like they came from inside the concert grounds. When the rifle sounds came, [redacted] heard an echo from the shots that she did not hear from the initial "pop - pop" sounds. [redacted] mentioned that she heard two (2) "pop - pop" sounds, but [redacted] though he heard three (3) initial "pop - pop" sounds that were "right there".

b6 -2, 6
b7C -2, 6

[redacted] stated that she heard pauses when the gunfire stopped. There were moments when there had been a longer pause and then the gunfire started again. [redacted] said that she could hear everyone screaming as she ran. [redacted] crouched behind the House of Blues and she lost [redacted] at that time, as he ran somewhere else. When [redacted] heard a pause in the shots, she ran toward the parking lot and tried to climb the fence but then found a side exit to leave the grounds. [redacted] ran from the grounds over a fence that had been torn down. [redacted] stated that she heard people talking about the shots being fired toward the right side of the stage.

(U) On 10/09/2017, at 9:58 p.m. Eastern Time [redacted] contacted the FBI Public Access Line (PAL) Unit Via the major case contact Center telephone line to report information concerning the suspect for the Mass Shooting in Los Vegas, CA.

[redacted] provided the following information:

[redacted] was camping at Craggy Wash Camp area about 4.5 miles off of highway 89 at Lake Havasu City, AZ 86406, on the morning Sunday, February 19, 2017 he was woke up to guns shooting-which is not allowed in the area. Caller walked up the hill with his dog to tell the shooter(s) that the shooting was not permitted to find an older gentleman who looked like Paddock, and a younger man perhaps a nephew or grandson, maybe in his 20's with brown hair [redacted] yelled at the two gentleman, the younger stopped and put his weapon down, and began tapping the older gentleman on the shoulder. The two men were both over 6 foot tall and firing AR 15's across the road, the older gentleman's gun was firing faster [redacted] was a qualified expert marksman in the Air Force when he served). [redacted] told the two gentleman that he was a campground host, which he was not, and that they weren't allowed to fire weapons in the area. The older gentleman became very angry and gave [redacted] a hard time, but then the two men left. They were driving a late 80's early 90's model Dodge Ram charger SUV with Nevada plates.

b6 -2

b7C -2

[redacted] took down the plate number and placed it on the campground hosts camper, who were an older couple. [redacted] said they left early that week though and the people who get the campground host job usually stay until mid-March, the couple left before [redacted] who left on February 22, 2017 or 23, 2017.

(U) [redacted] Social Security Number [redacted] telephone number [redacted] was telephonically contacted [redacted] provided the following information:

[redacted] checked into the Luxor Hotel and Casino on Thursday September 28th where he stayed with his girlfriend. [redacted] proposed to his girlfriend during the trip.

On either 09/28, 09/29, or 09/30 [redacted] saw the man he believed to be Stephen Paddock inside the Luxor Hotel and Casino. [redacted] advised that he saw a man carrying what he described as a desert camouflage bag. He indicated that the bag was about half the size of a standard long rifle case that .30 caliber rifle or an AR-15 could be carried in. Attached to the bag was a case that was approximately 2.5 inches shorter than the bag, which [redacted] surmised could have carried a detachable barrel. This case looked like a pool cue case. The bag had two black handles that extended approximately 4 inches and assisted in carrying the bag. The bag also had an additional detachable pouch. [redacted] recalls immediately thinking that the man could have been carrying a long gun with a detachable barrel. [redacted] made eye contact with the man, who expressed a sheepish look on his face, which [redacted] surmised looked like he had been caught doing something. [redacted] described the man as being in his 60's with a redish and gray scruffy beard. The man was wearing reading glasses, tan pants, black belt, a gray light blue button down shirt with a white t-shirt underneath. [redacted] has since seen the photograph of Paddock on television and believes that it is him. [redacted] could not recall specifically where he had this encounter with this man, but believes that it was outside of the food court on the main casino level near the bathrooms. [redacted] was advised that when he initially contacted the public access line he indicated that the sighting was on 09/30. [redacted] reiterated that it could have been 09/28, 09/29, or 09/30. [redacted] further advised that he saw the person he believes to be Paddock sometime between 9:30 and 11 p.m., but could not provide a more specific time. [redacted] will be in Las Vegas next week if further follow up is needed.

(U) Agent contacted [redacted] at approximately 8:45PM on 10/3/2017.

[redacted] confirmed that she was the individual who uploaded two videos at the concert and at the outbreak of the attack, she further stated that she experienced no difficulty uploading the photos."

She opined that her videos may not have recorded any details of the shooter's direction, but because she was sitting on the shoulders of a tall male (approximately 6'3" - 6'5", her perspective may be unique. [redacted] explained that her second video, which captures when the shooting started, was primarily focused on the crowd as she was panning away from the stage.

When asked if she ever looked up in the direction of the Mandalay Bay, [redacted] replied "no," she was just focused on evacuating the scene. She further stated that when the shooting started, her friend, [redacted] phone number: [redacted] pulled her down off the man's shoulders and initially covered her on the ground [redacted] then told her to run. She believes [redacted] called 911 at approximately 10:09PM. [redacted] believes that [redacted] stayed behind to help wounded people and that he may have some additional details regarding the incident. While fleeing [redacted] took cover at a fence that had been collapsed and people were hiding behind. She then ran from that position, making it to the Hooter's Hotel and then from there to the MGM parking garage.

(U) Interview of [redacted] uncovered the following: He and [redacted] were on the west side under the large screen 25 yards from the catwalk. [redacted] did not see or know where the shots were coming from initially other than the sound came from the right of the stage, if you were facing the stage. When the shooting started he sent [redacted] away and he saw a woman on the ground that was shot. He tried to approach her but realized the shots were

coming from an elevated position and took cover. He then ran picked up the woman who was bleeding in the face and exited as the rate of fire increased. The fence by the medical tent was taken down and he exited with the wounded woman there. He had no relevant pictures, his phone died as he was calling 911. [REDACTED] stated he would let others know if they have photos or videos to upload them to the [FBI.GOV/lasvegasshooting](https://www.fbi.gov/lasvegasshooting) link.

The results of the firearms examinations and national database searches are included in this report.

Results of Examinations:

Item 1 is a .308 Winchester caliber Daniel Defense rifle, Model DD5, with Precision AR scope and UTG bipod attached. The Item 1 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory Reference Firearms Collection (RFC).

Item 2 is a 5.56x45mm FNH rifle, Model FN-15, with Slide Fire Solutions (SFS) bump stock and UTG front grip attached. The Item 2 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the SFS bump stock placed in the engaged position, the Item 2 rifle was able to produce rapid semi-automatic fire.

Item 3 is a 7.62x51mm Lewis Machine & Tool rifle, Model LM308MWS, with Precision AR scope and UTG bipod attached. The Item 3 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC.

Item 4 is a 5.56x45mm Colt rifle, Model M4 Carbine, with SFS bump stock and MFT front grip attached. The Item 4 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the SFS bump stock placed in the engaged position, the Item 4 rifle was able to produce rapid semi-automatic fire.

Item 5 is a 5.56x45mm LWRC International rifle, Model M6IC, with SFS bump stock and MFT front grip attached. The Item 5 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the SFS bump stock placed in the engaged position, the Item 5 rifle was able to produce rapid semi-automatic fire.

Item 6 is a 5.56x45mm Daniel Defense rifle, Model DDM4, with SFS bump stock, EOTech sight and UTG front grip attached. The Item 6 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the SFS bump stock placed in the engaged position, the Item 6 rifle was able to produce rapid semi-automatic fire.

Item 7 is a .223 Remington caliber Patriot Ordnance Factory (POF USA) rifle, Model P-15 (multi-caliber), with SFS bump stock, EOTech sight and UTG front grip attached. The Item 7 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the SFS bump stock placed in the engaged position, the Item 7 rifle was able to produce rapid semi-automatic fire.

Item 8 is a 5.56x45mm Colt rifle, Model Competition, with SFS bump stock and UTG front grip attached. The Item 8 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the

SFS bump stock placed in the engaged position, the Item 8 rifle was able to produce rapid semi-automatic fire.

Item 9 is a .223 Remington (5.56x45mm) FNH rifle, Model FN15, with SFS bump stock, EOTech sight and UTG brand front grip attached. The Item 9 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the SFS bump stock placed in the engaged position, the Item 9 rifle was able to produce rapid semi-automatic fire.

Item 10 is a .223 Remington caliber (.223 Bill Wylde chamber) Christensen Arms, Model CA-15 (multi-caliber), with SFS bump stock and UTG front grip attached. The Item 10 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the SFS bump stock placed in the engaged position, the Item 10 rifle was able to produce rapid semi-automatic fire.

Item 11 is a 7.62 NATO (.308 Winchester) Patriot Ordnance Factory (POF USA) rifle, Model P-308 (multi-caliber), with Vortex - Diamondback scope and UTG bipod attached. The Item 11 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC.

Item 12 is a .308 Winchester caliber Ruger bolt action rifle, Model American, with AR Optics – AR/223 scope attached. The Item 12 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC.

Item 13 is a 5.56x45mm (.223 Remington) Daniel Defense rifle, Model DDM4 (multi-caliber), with SFS bump stock, EOTech sight and UTG front grip attached. The Item 13 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the SFS bump stock placed in the engaged position, the Item 13 rifle was able to produce rapid semi-automatic fire.

Item 14 is a 7.62x51mm Sig Sauer rifle, Model 716, with Aim Point - Red Dot sight and UTG bipod attached. The Item 14 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC.

Item 15 is a 5.56x45mm LWRC International rifle, Model M6IC, with EOTech sight and UTG front grip attached. The Item 15 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the SFS bump stock placed in the engaged position, the Item 15 rifle was able to produce rapid semi-automatic fire.

Item 16 is a 7.62x51mm Daniel Defense rifle, Model DD5, with Precision AR scope and UTG bipod attached. The Item 16 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC.

Item 17 is a .38 Special +P caliber Smith & Wesson revolver, Model 342 Airlite Ti. The Item 17 revolver functioned normally when tested in the Laboratory.

Item 18 is a 5.56x45mm Colt rifle, Model M4 Carbine, with SFS bump stock, Magpul hand guard and UTG front grip attached. The Item 18 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the SFS bump stock placed in the engaged position, the Item 18 rifle was able to produce rapid semi-automatic fire.

Item 19 is a .308 Winchester caliber (7.62x51mm) Lewis Machine and Tool rifle, Model LM308MWS, with Aimpoint - Patrol sight and UTG bipod attached. The Item 19 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC.

Item 20 is a 5.56x45mm Lewis Machine & Tool rifle, Model Defender 2000, with SFS bump stock and MFT front grip attached. The Item 20 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the SFS bump stock placed in the engaged position, the Item 20 rifle was able to produce rapid semi-automatic fire.

Item 21 is a 5.56x45mm Noveske Rifleworks rifle, Model N4, with SFS bump stock, EOTech sight and UTG front grip attached. The Item 21 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the SFS bump stock placed in the engaged position, the Item 21 rifle was able to produce rapid semi-automatic fire.

Item 22 is a 5.56x45mm Fabrique Nationale (FNH) rifle, Model FN-15 (multi-caliber), with Vortex - Crossfire II scope, Magpul pistol grip and UTG bipod attached. The Item 22 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC.

Item 23 is a .308 Winchester caliber Ruger rifle, Model SR-762, with Vortex - Diamondback scope and UTG bipod attached. The Item 23 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC.

Item 24 is a 5.56x45mm Patriot Ordnance Factory (POF USA) rifle, Model P-15 (multi-caliber), with SFS bump stock and MFT front grip attached. The Item 24 rifle functioned normally in the semi-automatic mode when tested in the Laboratory with a magazine from the FBI Laboratory RFC. In addition, when using the SFS bump stock placed in the engaged position, the Item 24 rifle was able to produce rapid semi-automatic fire.

Queries of the eTrace database returned results that can be found under the following Trace numbers:

Item 12 - T20170321359	Item 24 - T20170321332

Queries of the National Crime Information Center (NCIC) database were performed and no records were found at this time for the Item 1 through Item 24 firearms.

Images of test-fired specimens from the Item 1 through Item 16 and Item 18 through Item 24 rifles were entered into the National Integrated Ballistic Information Network (NIBIN) at the FBI Laboratory in Quantico, Virginia, and searched nationwide. No associations were found at this time. A NIBIN search was not conducted for the Item 17 due to revolver-type cartridge case images not being entered into the database. Additionally, if future NIBIN searches are requested for this evidence, the NIBIN server containing the FBI Laboratory will need to be selected as part of the search.

Methods:

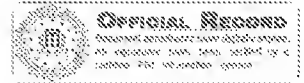

Firearms

The make, model, and caliber of a firearm are normally determined by directly observing manufacturer markings on the firearm in question. When these are not present, published materials and firearms in the Laboratory's Reference Firearms Collection may be used to make determinations.

Unless otherwise noted, submitted firearms are test fired:

- 1) in the condition they are received in the Firearms/Toolmarks Unit,
- 2) with ammunition from the Laboratory's Reference Ammunition File,
- 3) in a manner that allows for testing of available modes of fire such as manual safety engaged, manual safety disengaged, single action, double action, semi-automatic, fully automatic, etc.

Lead Coverage

Partial Coverage

Covered by [redacted] (LV) on 10/09/2017 06:56 PM EDT

b6 -1,2
b7C -1,2

(U) On 10/09/2017 [redacted] white male, date of birth [redacted] Reno Gunsmithing Incorporated, 1895 Donald Street, Suite A, Reno, Nevada, telephone number [redacted] was interviewed by Special Agent [redacted] regarding work performed on weapons provided by Steve Paddock on 08/03/2017.

[redacted] advised [redacted] Reno Gunsmithing Incorporated [redacted] specialize in the repair and maintenance of firearms. [redacted] maintains a Facebook and web page; however [redacted] business is generated from referrals from Reno Guns and Range, Cabela's, and word of mouth.

b6 -2,3
b7C -2,3

[redacted] recent transactions at Reno Gunsmithing Incorporated for Stephen Paddock and located four gun repair tags in the name of Paddock with an address of 1735 Del Webb, Reno, Nv, telephone 310-227-7094. [redacted] vaguely recognized publicized photos of Paddock but nothing from the transaction stood out as unusual. [redacted] advised the weapons were fairly new and not very dirty. Prior to 8/11/2017, a female may have called to inquire if the weapons were finished. [redacted] recalled Paddock may have been accompanied by the [redacted] female in media photos when Paddock pickup the weapons on 08/11/2017.

b6 -2,3
b7C -2,3

[redacted] advised there was no conversation about bump stocks and Reno Gunsmithing did not install any bump stocks.

[redacted] advised [redacted] handled the weapons upon receiving the weapons and performing the maintenance. [redacted] advised his fingerprints are on file as a part of his Federal Firearms License.

b6 -2,3
b7C -2,3

[redacted] provided copies of pages the ATF required Acquisition and Disposal log noting the Paddock transaction and provided the original gun repair tag numbers 0871, 0872, 0873, & 0874.

Tag #0871, dated 8/3/2017, Make: Armalite, Model: 8PRMOD1, Serial #: M10-13530, Caliber: 223, Nature of Service: cleaning, not feeding (polished ramps & chamber).

Tag #0872, dated 8/3/2017, Make: POF, Model: P-308, Serial #: UA-1600204, Caliber: 308,

FEDERAL BUREAU OF INVESTIGATION

Date of entry 10/05/2017b6 -1,2
b7C -1,2

On Wednesday, October 4, 2017, [redacted] white male, was interviewed at the Savannah, Georgia office of the Federal Bureau of Investigation (FBI) located at 2003 Chatham Center Drive, Savannah, Georgia 31405. [redacted]

[redacted] at Daniel Defense, 101 Warfighter Way, Black Creek, Georgia 31308. [redacted] office telephone number is [redacted] his mobile telephone number is [redacted] and his email address is [redacted] telephonically contacted FBI Special Agent (SA) [redacted] earlier on October 4, 2017 regarding information that Daniel Defense wanted to provide the FBI associated with the Las Vegas, Nevada mass shooting investigation. [redacted] provided the following information:

b6 -2
b7C -2

On Monday morning, October 2, 2017, [redacted] was contacted by the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) Tracing Center regarding four serial numbers of weapons that had been located by authorities in the hotel room where STEPHEN PADDOCK had gunned down several people in Las Vegas. [redacted] immediately created a report for ATF regarding the four serial numbers; which included two 5.56 rifles and two 7.62 rifles. [redacted] provided all of the information from their sales database regarding the four weapons and the wholesalers the weapons were shipped to. A couple of days after providing the information to ATF, [redacted] recalled that while gathering the information he did not check the serial numbers in Daniel Defense's safety notification database. The safety notification database is separate from Daniel Defense's sales database. It houses all information associated with Daniel Defense's safety notifications, more commonly known as a product "recall", by weapon serial number.

b6 -2
b7C -2

According to [redacted] in June 2017 Daniel Defense issued an official safety notification regarding a bad disconnecter located in the fire control group of select 5.56 rifles. Upon searching the four serial numbers that had been queried by the ATF Tracing Center earlier in the week, [redacted] found one of the four serial numbers in the Daniel Defense safety notification database. The serial number was "DDM4123629", which

UNCLASSIFIED//~~FOUO~~Investigation on 10/04/2017 at Savannah, Georgia, United States (In Person, Email)File # 4-LV-2215061, 356E-LV-2214483Date drafted 10/05/2017

UNCLASSIFIED//~~FOUO~~

4-LV-2215061

(U//~~FOUO~~) Interview of [REDACTED] on 10/04/2017 RE: Daniel Defense Weaponb6 -2
b7C -2

Continuation of FD-302 of Information , On 10/04/2017 , Page 2 of 3

was a Daniel Defense M4A1 5.56 rifle. According to Daniel Defense records, PADDOCK submitted a return request associated with the aforementioned safety notification on or about June 2, 2017. The following information was submitted by PADDOCK for the recall:

- Name: STEPHEN PADDOCK;
- Address: 1735 Dell Webb Parkway West, Reno, Nevada 89523;
- Telephone Number: (310) 227-7094; and
- Email: centralpark1@live.com.

In response to the request, Daniel Defense sent a pre-paid packaging box and label to PADDOCK at the aforementioned Reno, Nevada address. According to [REDACTED] the specific information regarding the safety notification requested that the customer send back only the lower portion of the rifle and specifically requested that the upper not be returned.

b6 -2
b7C -2

On or about June 23, 2017, Daniel Defense received the lower portion of the rifle without the buttstock attached. [REDACTED] stated that it was very common for customers to send back weapons for a recall without the buttstock. Daniel Defense repaired the bad disconnecter and returned the weapon to PADDOCK via FedEx to the Reno, Nevada address on or about June 27, 2017.

The returned FedEx package, tracking number 7406 3236 1531, was delivered to the Reno, Nevada address on July 5, 2017. Because a weapon was shipped, Daniel Defense listed that an adult signature was required in the special handling instructions for the package. Per FedEx records, an individual named [REDACTED] signed for the package on July 5, 2017 at 1:58 P. M.

b6 -3
b7C -3

SA [REDACTED] questioned [REDACTED] regarding the specific disconnecter in the fire control group which was the subject of the Daniel Defense safety notification. SA [REDACTED] specifically asked [REDACTED] that if any part of the fire control group had been altered, would the armorer have noticed and/or noted that in the Daniel Defense system when they processed the repair. [REDACTED] stated that if any alteration to the fire control group had been made, the armorer would have noticed, immediately stopped the repair process, and noted his/her findings in the system. Additionally, if any part of the fire control group was not a factory Daniel Defense product, the armorer would have noticed and taken the same action to stop the repair and note his/her findings in the system.

b6 -1,2
b7C -1,2

[REDACTED] provided a document which listed all details of the repair regarding the aforementioned rifle. Under the section for the armorer,

Gunman in Las Vegas shooting worked hard to cover tracks

By Rachel Crosby Las Vegas Review-Journal

January 13, 2018 - 7:54 pm

Updated January 14, 2018 - 9:46 pm

<https://www.reviewjournal.com/crime/shootings/gunman-in-las-vegas-shooting-worked-hard-to-cover-tracks/>

In the months leading up to the Oct. 1 shooting, Las Vegas gunman Stephen Paddock methodically planned a massacre, carefully sidestepping detection by authorities.

But even in death, he continued to perplex, according to more than 300 pages of federal search warrant records a judge ordered unsealed Friday after the Las Vegas Review-Journal and other media organizations sued for their release.

The motive behind the shooting, which left 58 dead and more than 500 injured, remains unknown, and the documents suggest that may be because Paddock took many steps to “thwart the eventual law enforcement investigation.”

He concealed or deleted all of his digital storage. He used at least one prepaid cellphone, though three phones were found in his Mandalay Bay suite. And in the year leading up to the shooting, he collected an arsenal of weapons and ammunition, mostly purchased from internet retailers, along with glass cutters and “numerous” suitcases, according to the documents.

It took investigators several days to realize just how well Paddock had covered almost all of his bases.

“The methodical nature of the planning employed by Paddock, coupled with his efforts to undermine the preceding investigation, are factors indicative of a level of sophistication which is commonly found in mass casualty events such as this,” the documents read.

Purchases, health reviewed

Inside his suite, authorities found more than 20 guns, hundreds of spent cartridge cases, hundreds more rounds of unused ammunition, a homemade gas mask and a set of body armor, among other items.

One of his last purchases, a holographic weapon sight whose average cost is about \$400, was made in September through an Amazon account associated with Paddock, then delivered to his Mesquite home. Investigators believe it was used in the attack.

The records released Friday were partial and mostly included requests to search Paddock's homes, digital devices and email accounts. The documents did not include the findings of those searches, which were individually approved by a handful of Nevada judges.

Included in the documents was a chain of short, cryptic emails Paddock apparently sent himself in July, from two different accounts, which read like weapons advertisements and mentioned AR rifles and bump stocks.

Investigators have been "unable to figure out" why Paddock apparently sent the messages to himself, but through search warrants, they sought more information about the email accounts, including whether one of them may have been associated with someone else.

Paddock's health was also called into question. The documents note that as early as Oct. 7, the investigation had revealed that Paddock "may have been treated for yet unidentified medical conditions." It remains unclear what those conditions could have included.

On Oct. 3, the Review-Journal reported that in June a Henderson physician had prescribed Paddock an anti-anxiety drug — diazepam, its brand name Valium — that can lead to impulsive and aggressive but not necessarily premeditated behavior. Paddock picked up the drug in Reno without insurance the same day, records show.

Girlfriend backs FBI findings

Two of the phones found in Paddock's hotel suite were unlocked but yielded no "significant" information, according to the documents. The third phone, a ZTE model with a Google operating system, was locked and cannot be forensically examined, but the FBI hoped to glean more information off it via Google.

Though investigators had previously said Paddock had no known social media accounts, the records also included requests to access at least four different Instagram accounts which may have been associated with either Paddock or his girlfriend, Marilou Danley.

Authorities also requested access to Danley's Facebook account, which she deleted shortly after the shooting.

In an interview with the FBI in the days after the massacre, Danley, who was in the Philippines at the time of the attack, quickly corroborated many of the FBI's findings but remained adamant that she had no foreknowledge of Paddock's plans.

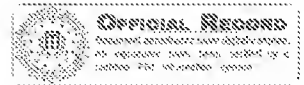

Email records reviewed by investigators confirm that Paddock transferred an undisclosed amount of money to Danley in September for unknown reasons. And while, as of October, investigators had not found any conclusive evidence that Danley assisted Paddock in any way, she remained "the subject of intensive review," according to the documents.

The Review-Journal and other media organizations continue to sue for the release of several other Las Vegas shooting records, including body camera footage and 911 calls.

INVEST Lead-LV-1332 (triggered by Intake-CJIS-1025)

Priority

Lead to FBI Las Vegas

(U) Obtain any information from [redacted] at Reno Gunsmithing Inc, 1895 Donald Street, Ste A, Reno, NV 89505. [redacted] reported that Paddock had several guns smithed at that location. b6 -1,2
b7C -1,2

Lead Details

From/To: FBI Las Vegas ☐ FBI Las Vegas

Investigator: [redacted] (LV)

Lead Status: Fully Covered

Lead Coverage

Partial Coverage

Covered by [redacted] (LV) on 10/09/2017 03:56 PM PDT

(U) On 10/09/2017, [redacted] white male, date of birth [redacted] Reno Gunsmithing Incorporated, 1895 Donald Street, Suite A, Reno, Nevada, telephone number [redacted] was interviewed by Special Agent [redacted] regarding work performed on weapons provided by Steve Paddock on 08/03/2017. b6 -1,2
b7C -1,2

[redacted] advised [redacted] Reno Gunsmithing Incorporated [redacted] specialize in the repair and maintenance of firearms. [redacted] maintains a Facebook and web page; however [redacted] business is generated from referrals from Reno Guns and Range, Cabela's, and word of mouth. b6 -2,3
b7C -2,3

[redacted] recent transactions at Reno Gunsmithing Incorporated for Stephen Paddock and located four gun repairs in the name of Paddock with an address of 1735 Del Webb, Reno, NV, telephone 310-227-7094. [redacted] vaguely recognized publicized photos of Paddock but nothing from the transaction stood out as unusual. [redacted] advised the weapons were fairly new and not very dirty. Prior to 8/11/2017, a female may have called to inquire if the weapons were finished. [redacted] recalled Paddock may have been accompanied by the [redacted] female in media photos when Paddock pickup the weapons on 08/11/2017. b6 -2,3
b7C -2,3

[redacted] advised there was no conversation about bump stocks and Reno Gunsmithing did not install any bump stocks. b6 -2,3
b7C -2,3

[redacted] advised [redacted] handled the weapons upon receiving the weapons and performing the maintenance. [redacted] advised his fingerprints are on file as a part of his Federal Firearms License.

[redacted] provided copies of pages the ATF required Acquisition and Disposal log noting the Paddock transaction and provided the original gun repair tag numbers 0871, 0872, 0873, & 0874.

Tag #0871, dated 8/3/2017, Make: Armalite, Model: 8PRMOD1, Serial #: M10-13530, Caliber: 223, Nature of Service: cleaning, not feeding (polished ramps & chamber).

Tag #0872, dated 8/3/2017, Make: POF, Model: P-308, Serial #: UA-1600204, Caliber: 308, Nature of Service: not cycling soft point ammo, clean & oil.

Tag #0873, dated 8/3/2017, Make: LMT, Model: LM308MWS, Serial #: LMS18321, Caliber: 308, Nature of Service: clean & oil.

Tag #0874, dated 8/3/2017, Make: Sig Sauer, Model: SIG716, Serial #: 23D020868, Caliber: 308, Nature of Service: clean & oil.

[redacted] reviewed all credit card transactions for 8/11/2017

The following is the transcription of a tape-recorded interview conducted by
DETECTIVE [REDACTED] LVMPD FORCE INVESTIGATION TEAM on 10-12-17 at 1544 hours. Also present are FBI Special Agent [REDACTED]

b6 -1,5
b7C -1,5

[REDACTED] Operator, this is Detective [REDACTED] with the Las Vegas Metropolitan

Police Department Force Investigation Team conducting a taped statement reference

Event 171001-3519. It will be conducted with [REDACTED]

[REDACTED] Yes, sir.

It's [REDACTED] with a date of birth of [REDACTED] and a social of [REDACTED]

b6 -1,5
b7C -1,5

Interview is gonna be, uh, conducted on October 12th, 2017, at approximately 1544

hours. Also present is Special Agent [REDACTED] I keep saying it wrong.

VOLUNTARY STATEMENT

PAGE 7

EVENT#: 171001-3519

STATEMENT OF: [REDACTED]

b6 -5
b7C -5

[REDACTED] Okay, and then how long do you think from the time that you started heading up the elevators till the time you got up on the floor and could hear the shots?

[REDACTED] Um, maximum two minutes.

b6 -3,5
b7C -3,5

[REDACTED] Okay.

[REDACTED] 'Cause I think it was - it was kind of like one of those weird things. I didn't wanna listen to any of the media stuff or anything like that. But one of my friends said, "Hey, you should listen to this." And it was, uh, the police banner radio. And I could actually hear the transmission that [REDACTED] made. It was about maybe four to five minutes in.

[REDACTED] Okay.

b6 -5
b7C -5

[REDACTED] And that's when - exactly when we got to the 31st floor.

[REDACTED] Okay.

[REDACTED] Right underneath it, so.

[REDACTED] How many volleys of fire did you hear when you guys were going down the hallway?

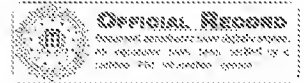

[REDACTED] Did you hear any breaks or any changes in the fire or was it all consistent throughout the entire time?

[REDACTED] There was breaks. Um, the best I can describe it, it did kind of sound like a bump fire from what I - from what I've heard.

b6 -5
b7C -5

[REDACTED] Mm-hm.

b6 -1,2
b7C -1,2

(U) Interview of [redacted] uncovered the following: He and [redacted] were on the west side under the large screen 2 yards from the catwalk [redacted] did not see or know where the shots were coming from initially other than the sound came from the right of the stage, if you were facing the stage. When the shooting started he sent [redacted] away and he saw a woman on the ground that was shot. He tried to approach her but realized the shots were coming from an elevated position and took cover. He then ran picked up the woman who was bleeding in the face and exited as the rate of fire increased. The fence by the medical tent was taken down and he exited with the wounded woman there. He had no relevant pictures, his phone died as he was calling 911 [redacted] stated he would let others know if they have photos or videos to upload them to the FBI.GOV/lasvegasshooting link.

(U) On 10/05/2017, Special Agents [redacted] interviewed [redacted]
[redacted] Reno Guns and Range, telephone 775-
826-2626, 2325 Market Street, Reno, NV 89502. [redacted] provided the following information:

On 12/13/2016, Stephen Craig Paddock, date of birth 04/09/1953, social security number 563-86-6197, purchased two firearms from Reno Guns and Range (RGR). He purchased a Beretta 92A1 9mm pistol, serial number A098515Z and a Sig Sauer 516G2 rifle, serial number 20J036999, caliber 5.56.

Also on 12/13/2016, Paddock brought in a Colt AR15, caliber 5.56 mm, serial number LE504018, to RGR for maintenance or repairs. [redacted] speculated that RGR completed little or no maintenance on this firearm because Paddock was not charged by RGR for any repairs.

b6 -2
b7C -2

Also attached to this document are copies of the Repair Agreement form for Paddock's Colt AR15, a receipt for Paddock's purchase of two firearms from RGR, and a copy of Paddock's signed Firearms Transaction Record.

(U) On October 8, 2017, Special Agents [redacted] went to Scorpius Tactical, 6370 Mae Anne Avenue #7, Reno, NV, telephone number 775-622-1836. Scorpius Tactical employee [redacted] provided the following information:

Stephen Paddock came to Scorpius Tactical (ST) on August 12, 2017. On this date, Paddock brought six (6) AR15 rifles to ST for cleaning and maintenance. On August 14, 2017, Paddock picked up the six rifles from ST after the cleaning was completed. On August 15, 2017, Paddock brought five (5) additional AR15 rifles to ST for cleaning and maintenance. On August 17, 2017, Paddock picked up the remaining five rifles from ST after cleaning was completed. The eleven rifles were the following (see attached ST Acquisition and Disposition forms provided by ST):

1. POF USA P-308 rifle, S/N UA-1600204
2. Sig Sauer SIG 516 rifle, S/N 20J036999
3. Armalite SPR Mod1 rifle, S/N M10-13530

FBI 18-CV-1920-260

~~SECRET//NOFORN//20430703~~

4. Sig Sauer SIG 716 rifle, S/N 23DOZ0868
5. Sig Sauer SIG 516 rifle, S/N 20K046207
6. Lewis Machine and Tool LM308MWS rifle, S/N LMS18321
7. Lantac LAR15 rifle, S/N LT-0297
8. FN FN15 rifle, S/N FND000905
9. LWRC M61C rifle, S/N 24-19038
10. Daniel Defense DD5 rifle, S/N DD5007426
11. Armalite SPR MOD1 rifle, S/N M10-12006

[redacted] advised that Paddock told him that Paddock owns 21 AR rifles. Of the eleven rifles that were cleaned by ST [redacted] stated that none of them had been altered and none of them had optics. [redacted] found it odd that Paddock bragged about owning 21 AR style rifles. [redacted] stated that most gun owners don't talk about the quantity of firearms they own. When Paddock brought the firearms to ST for cleaning he told [redacted] that he needed them back in a hurry. Paddock told [redacted] that he goes to the Washoe firing range weekly. [redacted] advised that Paddock was talking about the Washoe gun range off of Pyramid Highway.

b6 -2
b7C -2

During Paddock's visits to ST, he primarily spoke to [redacted] but also spoke to the ST [redacted]. According to [redacted] the following three individuals were the only ST employees to handle Paddock's eleven firearms:

b6 -2,3
b7C -2,3

[redacted]

[redacted] advised that the three individuals above all possess a concealed carry weapon permit. They each submitted fingerprints to the Washoe County Sheriff's Office (WCSO) as required to obtain the CCW permit. On 10/08/2017, Staff Operations Specialist (SOS) [redacted] provided full identifiers to CJIS for the three individuals listed above to be utilized for fingerprint elimination comparisons.

b6 -1,2
b7C -1,2

[redacted] provided agents with one ST LLC Order Form (see attached). This order form reveals that Paddock's phone number provided to ST was 310-227-7094. In the Order Form notes, it shows that Paddock requested that the firearms cleaning be completed before noon on Monday. [redacted] stated that Paddock paid for the cleaning in cash.

b6 -2
b7C -2

On 10/08/2017, Special Agents [redacted] traveled to the Regional Shooting Facility in Washoe County on Pyramid Highway. The address of the shooting facility is 21555 Pyramid Highway, Sparks, NV, telephone number 775-475-2991. Agents spoke to [redacted] advised that he has worked at the Regional Shooting Facility for nine years and has not seen Paddock at the range. [redacted] stated that he believed with certainty that he would have seen Paddock if he had visited the Regional Shooting Facility with any amount of regularity.

(U) [redacted] was interviewed at B&S Guns in Garland, Texas. After being advised the nature of the interview and the identity of the interviewing agent, [redacted] provided the following information:

[redacted] didn't remember Paddock, but remembered Paddock's girlfriend when they saw her picture on the news. [redacted] described her as flamboyant with a decorated walker/ cane. When Paddock was in his store he never asked about getting a modified trigger or how to modify one. [redacted] asked the gunsmiths in [redacted] store if they recalled having a conversation with Paddock about triggers. None of them said that they did. A quote was read from a news article where [redacted] was listed as saying Paddock asked about him about modifying triggers. [redacted] insisted the reporter misquoted him.

b6 -2
b7C -2

Last time Paddock and his girlfriend were in the store, his girlfriend played with his dog while Paddock looked at different guns, from AR-15s to shotguns. Paddock told [redacted] that couldn't buy anything because he had a out of state license. [redacted] mentioned he was interviewed by the ATF on October 2nd or 3rd, and provided them the sales receipts from Paddock's previous gun sales when he possessed a Texas license.

(U) On 10/09/2017, at 9:58 p.m. Eastern Time [redacted] contacted the FBI Public Access Line (PAL) Unit Via the major case contact Center telephone line to report information concerning the suspect for the Mass Shooting in Los Vegas, CA.

[redacted] provided the following information:

[redacted] was camping at Craggy Wash Camp area about 4.5 miles off of highway 89 at Lake Havasu City, AZ 86406, on the morning of Sunday, February 19, 2017 he was woke up to guns shooting-which is not allowed in the area. Caller walked up the hill with his dog to tell the shooter(s) that the shooting was not permitted to find an older gentleman who looked like Paddock, and a younger man perhaps a nephew or grandson, maybe in his 20's with brown hair. [redacted] yelled at the two gentleman, the younger stopped and put his weapon down, and began tapping the older gentleman on the shoulder. The two men were both over 6 foot tall and firing AR 15's across the road, the older gentleman's gun was firing faster [redacted] was a qualified expert marksman in the Air Force when he served). [redacted] told the two gentleman that he was a campground host, which he was not, and that they weren't allowed to fire weapons in the area. The older gentleman became very angry and gave [redacted] a hard time, but then the two men left. They were driving a late 80's early 90's model Dodge Ram charger SUV with Nevada plates.

b6 -2
b7C -2

[redacted] took down the plate number and placed it on the campground hosts camper, who were an older couple. [redacted] said they left early that week though and the people who get the campground host job usually stay until mid-March, the couple left before [redacted] who left on February 22, 2017 or 23, 2017.

(U) [redacted] Social Security Number [redacted] telephone number [redacted] was telephonically contacted. [redacted] provided the following information: b6 -1,2
b7C -1,2

[redacted] checked into the Luxor Hotel and Casino on Thursday September 28th where he stayed with his girlfriend. [redacted] proposed to his girlfriend during the trip. On either 09/28, 09/29, or 09/30 [redacted] saw the man he believed to be Stephen Paddock inside the Luxor Hotel and Casino. [redacted] advised that he saw a man carrying what he described as a desert camouflage bag. He indicated that the bag was about half the size of a standard long rifle case that .30 caliber rifle or an AR-15 could be carried in. Attached to the bag was a case that was approximately 2.5 inches shorter than the bag, which [redacted] surmised could have carried a detachable barrel. This case looked like a pool cue case. The bag had two black handles that extended approximately 4 inches and assisted in carrying the bag. The bag also had an additional detachable pouch. [redacted] recalls immediately thinking that the man could have been carrying a long gun with a detachable barrel. [redacted] made eye contact with the man, who expressed a sheepish look on his face, which [redacted] surmised looked like he had been caught doing something. [redacted] described the man as being in his 60's with a redish and gray scruffy beard. The man was wearing reading glasses, tan pants, black belt, a gray or light blue button down shirt with a white t-shirt underneath. [redacted] has since seen the photograph of Paddock on television and believes that it is him. [redacted] could not recall specifically where he had this encounter with this man, but believes that it was outside of the food court on the main casino level near the bathrooms. [redacted] was advised that when he initially contacted the public access line he indicated that the sighting was on 09/30. [redacted] reiterated that it could have been 09/28, 09/29, or 09/30. [redacted] further advised that he saw the person he believes to be Paddock sometime between 9:30 and 11 p. m., but could not provide a more specific time. [redacted] will be in Las Vegas next week if further follow up is needed. b6 -2

E was 64 years old and, to those who knew him, showed no signs of mental illness, extreme political views or an unhealthy interest in guns. He liked to gamble, and had bounced around over the years, living in Southern California, Texas and Nevada. But he seemed to have plenty of money, and had held steady jobs as a mail carrier, accountant, auditor and apartment manager.

Stephen Paddock's last stop was here, in Mesquite, Nev., a modest desert oasis 80 miles northeast of Las Vegas, where he lived in a retirement community with his female partner and kept a low profile, conversing little and maintaining no Facebook or Twitter accounts.

In an era when social media invites full-throated expression of even the most minor annoyance, Paddock gave away no hint of whatever it was that drove him to commit mass murder on the Las Vegas Strip, killing 59 people in an assault on a country music festival late Sunday night.

"We are completely dumbfounded," said a younger brother, Eric Paddock, who broke into tears in front of his suburban Orlando, Fla., home. "We can't understand what happened."

"He was always normal," said Donald Judy, a former next-door neighbor who said he was struggling to reconcile the friendly conversations about real estate and family with carnage carried out from a hotel room on the 32nd floor of the Mandalay Bay Resort and Casino.

Almost every week, Paddock and his girlfriend, Marilon Danley, would go to Peggy Sue's bar and diner in Mesquite, where they would have a few drinks and she would sing karaoke, other patrons and the bartender said.

"She really could sing -- great set of pipes," Bob Hemley said. "Him? He didn't affect me. Didn't stand out."

Everyone seated at the U-shaped bar Monday evening remembered Danley in particular. Bartender Monique Ortega said that when she learned Paddock was the shooter, she called her boss immediately.

"Now [that] I know that it was him, he seemed kind of creepy," she said.

Paddock, described by the local sheriff as a "lone wolf" attacker, killed himself inside the luxury suite at the Mandalay as SWAT officers closed in. On Monday, authorities searched his light-orange, single-story stucco house in Mesquite and a second home in northern Nevada and questioned relatives and associates but acknowledged that they had uncovered no explanation yet.

"He was friendly all the time," she said.

Paddock liked to gamble in Strip hotels. He sued the swanky Cosmopolitan in 2012, claiming he fell and was injured on the hotel property and sustained "substantial injuries." He sought damages of more than \$10,000. The suit was dismissed by agreement between the parties in 2014, according to the Las Vegas Review Journal. His attorney declined to comment.

Speaking outside his home in Waterford Lakes, Eric Paddock said his brother was never violent and had no history of mental illness or known ties to extremist groups. His brother had some guns but never a machine gun or an automatic weapon, Eric Paddock said.

"He's never even drawn his gun before," he said. "He's just a guy."

Authorities said they found a total of 42 guns in the hotel room and Paddock's house. At least one had been modified to make it tantamount to an automatic weapon.

Paddock and Danley moved to a house on Babbling Brook Court in a new 55-plus community called Sunset Mesquite in 2015. Residents of their subdivision had little information for police, according to Lombardo, the sheriff.

"He was reclusive," Lombardo said.

One neighbor, who declined to give his name, described Paddock to a reporter as "a real loner."

"If he saw you a few time he'd finally say, 'hi,'" the man said.

A sign posted on the front door of a next-door neighbor read, "We do not have anything to provide relating to the actions of our neighbor or insight into his behavior. We did not know him."

[redacted] was unable to upload videos which are now attached. SA [redacted] LV

I live in [redacted] Canada I will send the digital clip. It's only a few seconds. Not to waist a field officers time. Not a problem. Apologies not needed. I noticed that in other videos the light flash is not matching with the audio and therefor could be a fire alarm. However I don't know how far what echo xyz I don't know. Possible but unrealistic, Could be "North Korea" or a foreign source putting a strobe light on a machine gun to confuse the audio, then removing and replacing the windows. Like in some mission impossible operation . And then framing the guy. I don't know just an idea. This horrific action was almost foreign and militaristic in nature. The bullets in the ground will show exactly where they came from. Here is the clip of a light 3-4 windows away from where, the other clips show ,floating on the internet. I believe the flashing in this clip is a bit closer to the gold trim. It's black and white to see it better. It's a clip of a clip from live tv. I am not sure and would have to see a room to know what the flashing lights are. sorry if this video doesn't help. If it is a fire alarm ok. If not, I would search every room for tampering. Just in case. Also to note, if your a recruitment officer for the FBI. I love America more than my own country. Weak leadership in Canada. I would do almost anything to work for the US government, the most powerful country on earth. I have a set of experiences and skills that would be beneficial. Also I have 23 years firearms experience, Thank you for your time. It's probably just a strobe from a fire alarm, I apologize if I have waisted anybody's time. However is on the internet in many places. After I noticed it on live Tv. Warm Regards,

b7C -1,2

(U) On October 18, 2017, TFO [redacted] spoke with [redacted]
[redacted] at his home at the listed address.

[redacted] related the following regarding his attendance at the Route 91 Music Festival:

[redacted] arrived by air in Las Vegas on Friday, September 29, at approximately 1840 hours. He stayed at the Mandalay Bay Hotel on the [redacted]. He was staying there with his girlfriend [redacted] who had arrived earlier in the day. [redacted] described [redacted] with an unknown address in the [redacted] area, and a cell phone number of [redacted].

b6 -2,3
b7C -2,3

On October 1st, [redacted] and his girlfriend attended the Route 91 Music Festival. They entered the venue through the VIP entrance [redacted] girlfriend had received free VIP wristbands through her work. They arrived approximately two bands prior to Jason Aldean's performance and stood up front and center. After watching both bands perform prior to Jason Aldean, [redacted] and his girlfriend left the front of the concert area, used the restrooms, and bought beer. They then relocated to some seats in the 'Neon Lounge' VIP seating area in anticipation of Jason Aldean's performance. The VIP seating area was on the west side of the venue closer to Las Vegas Blvd. The seating area was stadium style seating in a covered pavilion. [redacted] and his girlfriend were seated with a co-worker and the co-worker's wife from the girlfriend's work place.

b6 -2
b7C -2

As they were seated, and in the middle of Jason Aldean's third song [redacted] heard two loud pops a few seconds apart. He thought the sounds were from fireworks. Shortly thereafter, he faintly heard what sounded like machine gun fire [redacted] then saw Jason Aldean run off stage [redacted] now heard gunfire, but much louder, and saw crowds of

b6 -2
b7C -2

~~SECRET//NOFORN//20430703~~

people running [redacted] and his girlfriend folded up their seats and crouched down behind the seats. [redacted] hugged and covered his girlfriend. Initially [redacted] was scared. After a short time, he said he felt a heightened sense of awareness.

b6 -2
b7C -2

[redacted] made a conscious decision to stay away from the crowds. He led his girlfriend to some portable restrooms that were adjacent and north of the VIP seating area. They crouched behind the restrooms for a short time. From the restrooms he led his girlfriend to a vendor booth a short distance north of the restrooms. When there was a lull in the gunfire, he and his girlfriend ran out of the concert venue, W/B across Las Vegas Blvd, and into the Excalibur hotel lobby. Once in the hotel lobby, they calmed down a little and drank some water. [redacted] estimated that from the time the shooting started at the concert, to the time he and his girlfriend arrived at the Excalibur hotel, it had been less than three minutes.

b6 -2
b7C -2

[redacted] said as more people ran into the Excalibur, he and his girlfriend decided to take an elevator up to get out of the lobby. [redacted] thought there were multiple shooters and there was a lot of confusion as to where the suspects might be. While in the elevator, [redacted] and his girlfriend befriended another woman who had escaped the concert. The unknown woman let them stay in her hotel room. Since the Mandalay Bay Hotel was secured and closed off by police [redacted] and his girlfriend spent the night in the unknown woman's hotel. [redacted] did not remember the woman's name or have any additional information about who she was.

b6 -2
b7C -2

[redacted] and his girlfriend did not take any pictures or video of the incident. He said they did not have time to do so while they were escaping. He also did not see any dead or injured victims during his escape. [redacted] did not have any information on his girlfriend's coworker and his wife and is unsure what happened to them after the shooting started.

b6 -2
b7C -2

[redacted] was asked if he had possibly seen or interacted with the suspect during his stay at the Mandalay Bay Hotel. He said he did not.

Interviewed by:

Detective

Date/Time/Location: 10-05-17 / 0900 hours/ via phone, citizen in

- [redacted] was staying at the Mandalay Bay Casino room [redacted] with her friend [redacted]. [redacted] were staying in room [redacted].
- [redacted] got up into her room around 8pm. Around 8-8:30 pm [redacted] both left to go to Route 91 Festival.
- [redacted] in the room to watch the baby. The baby was sleeping in room [redacted] and [redacted] was in room [redacted] had a baby monitor in her room with audio/video feed to watch the baby.
- Shortly after 10 pm, she heard what sounded like automatic machine gun fire coming from a close distance. She also started smelling gunfire.
- She called the hotel operator to tell them what she heard and asked if anything was going on. The operator told her nothing was going on.
- Opened her door to look out of the room. Saw a security officer walking by her room. The security officer said everything was fine and she could go back into her room.
- Received a text from [redacted] stating they were being shot at the festival. She told [redacted] the baby and her were safe. [redacted] told her the shooting might be coming from the Mandalay Bay and to get the baby out of the room.
- [redacted] propped her door open with the deadbolt and exited her room. [redacted] walked to room [redacted] to get the baby out of the room. [redacted] attempted to open the door with the key, but the key did not work. [redacted] could not get into the room.
- [redacted] went back into her room. She continued to hear rapid gunfire.
- [redacted] later heard a loud explosion. Shortly after the explosion, officers kicked in her door and rescued her. [redacted] let the officers know there was a baby in room 32-130. The officers kicked in the door of room [redacted] and retrieved the baby who was still sleeping. The officer handed the baby to [redacted].
- [redacted] was escorted down the hallway by the officers to the elevators.
- Never saw anything in the hall or near the suspect's room. Never saw any suspicious persons. Never heard or saw anything unusual prior to the shooting.
- It was learned a security officer was responding to her room before the shooting reference the room door being left open [redacted] did not intentionally leave her door cracked open, and she was not aware the door was not closed.

Lead Coverage

Full Coverage

Covered by [redacted] (LA) on behalf of [redacted] (LA) on 10/19/2017 02:00 PM PDT

(U) On October 18, 2017, TFO [redacted] spoke with [redacted] at his home at the listed address. b6 -1,2
b7C -1,2

[redacted] related the following regarding his attendance at the Route 91 Music Festival:

[redacted] arrived by air in Las Vegas on Friday, September 29, at approximately 1840 hours. He stayed at the Mandalay Hotel on the [redacted]. He was staying there with his girlfriend, [redacted] who had arrived earlier the day [redacted] described [redacted] with an unknown address in the [redacted] area, and a cell phone number of [redacted]. b6 -2,3
b7C -2,3

On October 1st [redacted] and his girlfriend attended the Route 91 Music Festival. They entered the venue through the VIP entrance. [redacted] girlfriend had received free VIP wristbands through her work. They arrived approximately two bands prior to Jason Aldean's performance and stood up front and center. After watching both bands perform prior to Jason Aldean, [redacted] and his girlfriend left the front of the concert area, used the restrooms, and bought beer. They then relocated to some seats in the 'Neon Lounge' VIP seating area in anticipation of Jason Aldean's performance. The VIP seating area was on the west side of the venue closer to Las Vegas Blvd. The seating area was stadium style seating in a covered pavilion. b6 -2
b7C -2

[redacted] and his girlfriend were seated with a co-worker and the co-worker's wife from the girlfriend's work place.

As they were seated, and in the middle of Jason Aldean's third song, [redacted] heard two loud pops a few seconds apart. He thought the sounds were from fireworks. Shortly thereafter, he faintly heard what sounded like machine gun fire. [redacted] then saw Jason Aldean run off stage. [redacted] now heard gunfire, but much louder, and saw crowds of people running. [redacted] and his girlfriend folded up their seats and crouched down behind the seats. [redacted] hugged and covered his girlfriend. Initially, [redacted] was scared. After a short time, he said he felt a heightened sense of awareness. b6 -2
b7C -2

[redacted] made a conscious decision to stay away from the crowds. He led his girlfriend to some portable restrooms that were adjacent and north of the VIP seating area. They crouched behind the restrooms for a short time. From the restrooms he led his girlfriend to a vendor booth a short distance north of the restrooms. When there was a lull in the gunfire, he and his girlfriend ran out of the concert venue, W/B across Las Vegas Blvd, and into the Excalibur hotel lobby. Once in the hotel lobby, they calmed down a little and drank some water. [redacted] estimated that from the time the shooting started at the concert, to the time he and his girlfriend arrived at the Excalibur hotel, it had been less than three minutes. b6 -2
b7C -2

[redacted] said as more people ran into the Excalibur, he and his girlfriend decided to take an elevator up to get out of the lobby. [redacted] thought there were multiple shooters and there was a lot of confusion as to where the suspects might be. While in the elevator, [redacted] and his girlfriend befriended another woman who had escaped the concert. The unknown woman let them stay in her hotel room. Since the Mandalay Bay Hotel was secured and closed off by police, [redacted] and his girlfriend spent the night in the unknown woman's hotel. [redacted] did not remember the woman's name or have any additional information about who she was. b6 -2
b7C -2

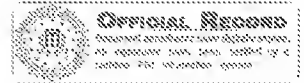

[redacted] and his girlfriend did not take any pictures or video of the incident. He said they did not have time to do so while they were escaping. He also did not see any dead or injured victims during his escape. [redacted] did not have any information on his girlfriend's coworker and his wife and is unsure what happened to them after the shooting started. b6 -2
b7C -2

[redacted] was asked if he had possibly seen or interacted with the suspect during his stay at the Mandalay Bay Hotel. He said he did not.

FEDERAL BUREAU OF INVESTIGATION

Date of entry 10/07/2017

[redacted] date of birth [redacted] address [redacted]
[redacted] phone number [redacted] was interviewed at
SUNRISE HOSPITAL located at 3186 S Maryland Parkway, Las Vegas, Nevada
89109. After being advised of the identity of the interviewing Agent and
the nature of the interview, [redacted] provided the following information:

b6 -2
b7C -2

[redacted] was eight feet from center stage when he heard seven to eight
full-auto gunshots go over his head and strike near the area of center
stage. The gunshots sounded as if they originated from a considerable
distance from the stage. The shots that followed seemed to strike all over
the place as if the shooter were "spraying" the crowd. The gunshots also
sounded like a larger round, possibly 7.62 x 39 [redacted] served in the
Marine Corps and was familiar with the sound of small arms gunfire).

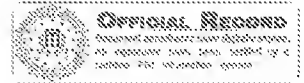

b6 -2
b7C -2

A brunette female standing three to four feet behind [redacted] was
struck below the collarbone. [redacted] applied pressure to her wound and
was assisted by an off-duty police officer. [redacted] and the off-duty
officer helped the victim over a fence and into a pickup truck. [redacted]
then found another female victim who was shot in the sternum, applied
pressure to her wound, and then helped her into the pickup truck.
[redacted] assisted two more female victims; one who was shot in the mouth
and hiding under the stage and another who received wounds from shrapnel.
[redacted] guided them to the pickup truck as well. [redacted] estimated
that the shooter reloaded his weapon twelve to fifteen times before the
shooting stopped.

b6 -2
b7C -2

[redacted] then assisted police officers and other emergency responders
by directing victims to EMS vehicles in order for them to be transported
to local hospitals. After helping to load victims into multiple EMS
vehicles, [redacted] was advised by police officers that he could clear
from the scene. [redacted] then responded to SUNRISE HOSPITAL in search of
one of his friends who had also attended the concert and was missing.

FEDERAL BUREAU OF INVESTIGATION

Date of entry 10/12/2017

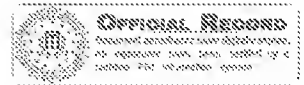

[redacted] date of birth (DOB) [redacted] SSN [redacted] was interviewed at 0440 at Sunrise Hospital, 3186 Maryland Parkway, Las Vegas, NV 89109. After being advised of the identity of the interviewing Agent and the nature of the interview, [redacted] provided the following information:

b6 -2
b7C -2

[redacted] stated he was from San Diego, California and came to Las Vegas to see the Route 91 music festival. [redacted] was situated to the left side of the stage close to the box seats. [redacted] stated he heard the initial shots and that the friend he was with stated those were gunshots. He believed them to be full auto gun shots and there were multiple series of them. [redacted] and his friend attempted to exit however they were knocked down. [redacted] stated that he was a medic and attempted to render aide to victims. [redacted] was wounded in the right leg while attempting to render aide. [redacted] also stated he assisted with helping those victims that couldnt move into a pickup truck for transportation. [redacted] further stated he remembered some dead on arrivals (DOAs) went to Hooters and then were transferred to Sunrise.

On November 7, 2017, Special Agent (SA) [REDACTED] Federal Bureau of Investigation (FBI) and Det. [REDACTED] Las Vegas Metropolitan Police Department (LVMPD), conducted and interview of [REDACTED] at the Clark County Detention Center (CCDC), 330 S. Casino Center, Boulevard, Las Vegas, Nevada 89101. [REDACTED] who is currently in custody on bench warrant charges provided information on a meeting that he had with someone he believed to be Stephen Paddock.

[REDACTED] recounted a meeting that he had with Paddock at the Bass Pro Shops located at Blue Diamond Road and Interstate 15. [REDACTED] was unsure of the date but knew that his meeting coincided with one of the hurricanes that hit the Caribbean or southern United States. [REDACTED] was there to sell Paddock the schematics on how to change a semi-auto weapon to a full auto by using a technique that [REDACTED] called "Auto Sear."

b6 -2

b7C -2

Det. [REDACTED] recorded the conversation and will provide a transcript of the interview at a later date so that it can be made part of the investigative file.

b7C -1,2

(U) On October 8, 2017, Special Agents [REDACTED] went to Scorpius Tactical, 6370 Mae Anne Avenue #7, Reno, NV, telephone number 775-622-1836. Scorpius Tactical employee [REDACTED] provided the following information:

Stephen Paddock came to Scorpius Tactical (ST) on August 12, 2017. On this date, Paddock brought six (6) AR15 rifles to ST for cleaning and maintenance. On August 14, 2017, Paddock picked up the six rifles from ST after the cleaning was completed. On August 15, 2017, Paddock brought five (5) additional AR15 rifles to ST for cleaning and maintenance. On August 17, 2017, Paddock picked up the remaining five rifles from ST after cleaning was completed. The eleven rifles were the following (see attached ST Acquisition and Disposition forms provided by ST):

1. POF USA P-308 rifle, S/N UA-1600204
2. Sig Sauer SIG 516 rifle, S/N 20J036999
3. Armalite SPR Mod1 rifle, S/N M10-13530
4. Sig Sauer SIG 716 rifle, S/N 23DOZ0868
5. Sig Sauer SIG 516 rifle, S/N 20K046207
6. Lewis Machine and Tool LM308MWS rifle, S/N LMS18321
7. Lantac LAR15 rifle, S/N LT-0297
8. FN FN15 rifle, S/N FND000905
9. LWRC M61C rifle, S/N 24-19038
10. Daniel Defense DD5 rifle, S/N DD5007426
11. Armalite SPR MOD1 rifle, S/N M10-12006

[REDACTED] advised that Paddock told him that Paddock owns 21 AR rifles. Of the eleven rifles that were cleaned by ST, [REDACTED] state that none of them had been altered and none of them had optics. [REDACTED] found it odd that Paddock bragged about owning 21 style rifles. [REDACTED] stated that most gun owners don't talk about the quantity of firearms they own. When Paddock brought the firearms to ST for cleaning he told [REDACTED] that he needed them back in a hurry. Paddock told [REDACTED] that he goes to the Washoe firing range weekly. [REDACTED] advised that Paddock was talking about the Washoe gun range off of Pyramid Highway.

b6 -2

b7C -2

During Paddock's visits to ST, he primarily spoke to [REDACTED] but also spoke to the ST [REDACTED]. According to the following three individuals were the only ST employees to handle Paddock's eleven firearms:

b6 -2,3

b7C -2,3

[REDACTED] advised that the three individuals above all possess a concealed carry weapon permit. They each submitted fingerprints to the Washoe County Sheriff's Office (WCSO) as required to obtain the CCW permit. On 10/08/2017, Staff Operations Specialist (SOS) [REDACTED] provided full identifiers to CJIS for the three individuals listed above to be utilized for fingerprint elimination comparisons.

b6 -1,2

b7C -1,2

[REDACTED] provided agents with one ST LLC Order Form (see attached). This order form reveals that Paddock's phone number provided to ST was 310-227-7094. In the Order Form notes, it shows that Paddock requested that the firearms cleaning be completed before noon on Monday. [REDACTED] stated that Paddock paid for the cleaning in cash.

b6 -1,2

b7C -1,2

On 10/08/2017, Special Agents [REDACTED] traveled to the Regional Shooting Facility in Washoe County on Pyramid Highway. The address of the shooting facility is 21555 Pyramid Highway, Sparks, NV, telephone number 775-475-2991. Agents spoke to [REDACTED] advised that he has worked at the Regional Shooting Facility for nine years and has not seen Paddock at the range. [REDACTED] stated that he believed with certainty that he would have seen Paddock if he had visited the Regional Shooting Facility with any amount of regularity.

[redacted]
Earlier this evening I conducted a brief interview with an Inmate named [redacted] ID# [redacted] came into CCDC on [redacted]

[redacted] According to [redacted] he says [redacted] Anyways, [redacted] sent 2 Inmate Requests (which are on my desk) asking to speak with someone regarding Stephen Paddock. [redacted] claimed to have information pertaining to a motive and he was wanting to talk. I called him down reference his request and this is what he told me. [redacted] claims he had an add on Backpage under the name [redacted] says he was selling schematics on how to make an AR-15 fully automatic. According to [redacted] he says Paddock answered his add. [redacted] claims he met Paddock once on line and once in person. I asked [redacted] when he physically met Paddock in person. [redacted] said it was in Sept. sometime around the time frame when Hurricane Irma or Maria hit. [redacted] claims he doesn't remember the exact date or time, but, he says they met at Brass Pro Shops off of Blue Diamond in the early evening. I asked [redacted] how he knew the person he met with was Paddock. [redacted] said when they met he asked if he was a Nevada Resident. [redacted] said the person showed him his Driver's License and he saw the name Paddock. [redacted] said he recognized the name Paddock because his Family has a restaurant in New Mexico called Paddock. I googled the restaurant and confirmed there is a Café in New Mexico. [redacted] claims the two met for approximately 5-7 mins. [redacted] said during their meeting Paddock made a statement to the effect of "Somebody has to wake up the Public". [redacted] claims he concluded their meeting and that was the last he saw of him. [redacted] said when he came to Jail he saw the newspaper and recognized Paddock's picture. Based on the sensitivity of the case I concluded my interview and thought it was best to notify you guys. The interview I did with him was recorded and I am having a DVD burned for you.

Paddock is sentenced and has a release date of [redacted] He knows that someone will be coming to follow up with him. He is hard of hearing so be prepared. If you guys come to interview him tomorrow, you can make contact with Officer [redacted] or Officer [redacted] Their number is [redacted] If they are not available you can contact Sgt [redacted] at [redacted] If you have any questions feel free to call me.

[redacted]

b6 -1,2,5,7
b7C -1,2,5,7

On 11-07-17, at approximately 09:43 hours, Detective [redacted] conducted an audio recorded interview with [redacted] at Clark County Detention Center (CCDC). Also present for the interview was FBI Special Agent [redacted]. Below is a summary of the interview; for complete details refer to the interview transcript.

[redacted] stated around August 2017, he posted an ad on Backpage.com to sell schematics to make a full-auto seer for an AR-15 rifle. [redacted] stated he bought the schematics for \$50.00 and watched YouTube videos on how to make the seer. [redacted] needed money so he decided to make copies of the schematics and sell them on Backpage.com for \$40.00. [redacted] set up the email [redacted] and a P.O. Box located at [redacted].

b6 -2,7
b7C -2,7

Approximately three to four weeks prior to October 1, 2017, [redacted] stated he received an email in the morning from an individual he later identified as Stephen Paddock. The email expressed interest in purchasing the schematics. [redacted] stated he and Paddock emailed each other a couple of times and agreed to meet later that night. [redacted] stated they agreed to meet at the Bass Pro Shops on Blue Diamond Road, and [redacted] would arrive on a motorcycle.

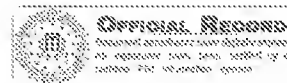

b6 -2,7
b7C -2,7

[redacted] stated just after sundown he arrived at Bass Pro Shops and entered the parking lot. [redacted] said he believed Bass Pro was about to close or was closed due the parking lot being nearly empty. Upon entering the lot, [redacted] said a car flashed its headlights at him which he believed was Paddock. [redacted] stopped his motorcycle in front of the car and got off. The driver of the car exited and approached [redacted]. [redacted] stated the subject was a heavy set male, 45-50 years old, blond hair and puffy eyes. [redacted] asked if the subject was a Nevada resident and asked to see his identification. The male showed [redacted] a Nevada driver's license and [redacted] remembered the name Paddock.

b6 -2,7
b7C -2,7

Paddock asked [redacted] if he could make the full-auto seers and would pay \$500.00 for each one. [redacted] said he would not make them because he was too old to go to federal prison. Paddock then became upset after [redacted] refused to make the seers. [redacted] said Paddock started making several anti-government related statements, spoke of FEMA camps, and how hurricane Katrina was a dry run for police and military to kick down doors and take away guns. [redacted] said Paddock someone has to wake up the American public and sacrifices have to be made. [redacted] said he felt odd about the statements being made and said Paddock was fanatical.

week you were interviewed by one of the officers down here at CCDC. Can you tell me what happened last week wh- what that conversation entailed?

Um, just that I had met Stephen Paddock and the reason I remember him so well is his last name. Um, my uncle in New Mexico has a restaurant, uh, in Farmington, New Mexico.

b6 -2, 5
b7C -2, 5

Mm-hm.

Has a restaurant called The Paddock. And it just - coincidence r- rang a bell, you know?

Mm-hm.

Um, Paddock answered, um, uh, an ad I had on Backpage and, uh, what it was was I was, uh, selling the schematics for auto- um, auto sear...

Mm-hm.

...for an AR-15 for \$40.00. Just the schematics and it was for educational purposes only. Um, w- he wanted to meet up with me, but I met him at, um, b- uh, Bass Pro Shop...

Okay.

...on, um, Blue Diamond Road next to the Silverton.

Mm-hm.

I met him in the parking lot there and he wanted me to make him, you know, the auto sear. He didn't say how many, he just told me he'd give me several hundred dollars

[REDACTED] How many weapons do you say you've owned?

Pardon?

How many weapons would you say you've owned over the...

Over the years?

...over your life? Over the years, yes.

Twenty-five - thirty.

Okay. Had - have you, um, you said that you had - were selling the schematics 'cause you saw them on YouTube, right?

Pardon?

You saw the schematics that you bought on YouTube and you bought them also?

Yeah.

Off YouTube?

Yeah.

Okay. Have you ever - are you familiar with altering weapons to make 'em do what you're saying they're gonna do in schematics?

It's - it's not - eh, eh, it wasn't all - it was a drop-in type auto sear that, um, and no I'd never even tried it myself. It was, um, made out of a 1/16" aluminum - 1/16" by 1/2" that, uh, you grind down with a Dremel...

Mm-hm.

VOLUNTARY STATEMENT

PAGE 10

EVENT#: 171001-3519

STATEMENT OF

...it's a way the - it said to do it. And um, it provided with, um, um, a template of the shape of it.

b6 -1, 2, 5
b7C -1, 2, 5

Mm-hm.

And you drop in the, um, uh, lower, uh, receiver and then load it up and as long as you had a full auto bolt it would work.

And the term that you're using is auto sear, correct?

Pardon?

You're using the term auto sear?

Yeah.

Can you - you know what it is and I know what it is but just for the purpose of this interview can you kind of explain what it is?

It's to convert a semi-automatic into a automatic.

Okay. All right.

Now when you met Mr. Paddock, um, you said it was at Bass Pro, it was late at night, um, do you remember how late at night it was or...

It was just after dark I remember.

Do you remember how long ago it was?

I'll tell you it was about three weeks - to - three weeks to a month before he did the shooting. I never saw him again after that. I mean he never tried to contact me again.

Did he flash any money to show that he...

No. No but I got the impression he had plenty of it because he kept, I mean, he was offering me \$500 apiece for auto sears if I'd make 'em. And he - I - apparently wanted more than one.

What - what gave you the impression that he wanted more than one?

He said that'd he give me \$500 apiece. That's all that was, you know...

What did...

...it sounded to me like he meant more than one.

What did you say when he offered you \$500 apiece for an auto sear?

I told him I didn't want to spend any time in federal prison.

Okay.

I said I'm too old for that and I just have that many years left. I've never made one for anybody and I never will, you know.

Okay.

Was he angry about that?

He wasn't happy. That's when he started on about the FEMA stuff and, uh, saying that Katrina, "I mean Katrina was just a dry run." You know, and all that stuff. And what struck me odd was when he did the shooting it was right after those hurricanes. You know, I mean at first it was, uh, Irma...

STATEMENT OF: [REDACTED]

[REDACTED] Okay. But the emails between you and Paddock were on Yahoo or on Gmail?

b6 -1, 2, 5
b7c -1, 2, 5

They were on Yahoo.

On Yahoo, okay.

Under [REDACTED]

Okay.

Did you ever use your home address for that ad?

No. No.

All right. When did you put that ad up?

Uh, okay it was about a month before I got kicked out of my place which would be sometime in August.

And does the address [REDACTED] does that mean something?

I just - [REDACTED] you know, like auto sears.

Okay.

It was just something I came up with at the spur of the moment.

All right.

Uh, what was your former address? You said you got kicked out...

[REDACTED]
Who were you living with at that address?

VOLUNTARY STATEMENT

PAGE 25

EVENT#: 171001-3519

STATEMENT OF

Okay. Um, did he mention anybody else, um, wife, girlfriend, friends? Ever talk about target shooting?

b6 -1, 2, 5
b7C -1, 2, 5

No. No.

Okay.

It - like I said it was pretty brief, you know, he just ca- he came right to the point when I, you know, I knew why I was there, uh, trying to sell him the schematics. And, uh, but he was very adamant he wanted me to make 'em for him, you know.

Okay.

And you were selling the schematics for \$40?

Yeah.

That's a lot of work for \$40, right?

What?

That's a lot of work for \$40.

Well I needed the money. Like I said my trust fund is pretty well petered out, you know, so...

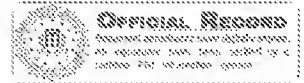

Okay. Did he say anything about, um, guns? Did he talk about guns, him owning guns or what kind of guns he had?

He didn't say what kind he had, I just (unintelligible) he had an AR-15 because that's what the schematics are for.
